DEDICATION

We dedicate this issue of the BELOITER to Mr. F. N. Johnston, our present Superintendent of Schools and our High School Principal Emeritus.

Though not the last Principal in our venerable building (God rest its creaking joists), he was the last to serve a full term as "Grand Master" of these Hallowed Halls. In the campaign for approval of the New Memorial High School, in the plans and groundwork for the realization of a new and modern Hall of Learning, his guidance was ever present.

It is for reasons such as these, and because of his sincere interest in the youth of Beloit, that we, the CLASS OF NINETEEN HUNDRED AND FIFTY, respectfully dedicate this, the last BELOITER to be produced wholly at 220 West Grand in the City of Beloit.

FOREWORD

For eighty-seven years the building at 220 West Grand Avenue in the city of Beloit has sheltered, educated, and recreated generations of students who have wandered through its doors. In 1908, the old building (whose cornerstone was laid in 1863) had its face lifted, and was remodeled as the BHS we have known. But even now the work of building is not complete. A new and modern edifice to house new generations of future Beloiters is being erected at the corner of Fourth and Middle Streets.

From the hallowed pages of the past, we, the Class of 1950, have depicted this last issue of the BELOITER to be published at the West Grand address, as a Memory Album. The administration and faculty have been represented as the Plans we have followed through our high school days. The seniors are pictured as Memories, holding fast to remembrances and acquaintances formed through their high school days. The juniors are seen as Hopes, breathlessly awaiting the day when they too, will graduate. For the sophomores, the day of graduation is still in the land of Dreams, but their time will come at some future date.

From little red schoolhouses down to ultra-modern structures of today, "School Days" has been a recurring theme. This, coupled with our other endeared Memories "when we were a couple of kids" has been left behind, and the Class of 1950 is setting out to continue to grow in adult society, and take its rightful place in society.

Valedictorians

JOAN M. KRAEPLIN, JOANNE M. MORASH, PHYLLIS M. EVERILL

The CLASS OF 1950 had three people who maintained a straight "A" record throughout the four years normally counted as high school work. In addition to their scholastic achievement, not one of them has contented herself to live by books alone, but rather each has given freely of her time and boundless energy to make Beloit High School activities "bigger and better than ever."

JOAN M. KRAEPLIN

Joan is the daughter of Mr. and Mrs. Carl A. Kraeplin of 1260 Partridge Avenue. She attended Roosevelt Junior High School and Todd Grade School. Among her varied high school activities she was especially active in Y-Teens, on the Increscent staff, and has had charge of production of the entire Club Section of this BELOITER.

JOANNE M. MORASH

Joanne went to Lincoln Junior High School and Royce Grade School. Her parents, Mr. and Mrs. Corey Morash, live at 1224 Hackett Street. She has been an outstanding cheerleader, news editor of the Increscent, secretary of Student Council, a member of Junior Theatre and on the staff of the BELOITER. These and other activities have kept Joanne one of the busiest seniors in BHS.

PHYLLIS M. EVERILL

Mr. and Mrs. Royal B. Everill of 800 Wisconsin Avenue are the parents of Phyllis. She attended Roosevelt Junior High School and both Burdge and Wright Grade Schools. Besides being Co-editor of this BELOITER, Phyllis has had her hands full with active work on the Increscent, participation in Junior Theatre, and other activities too numerous to mention.

SEVEN ADDITIONAL RANKING SENIORS

The seven next-ranking students listed below came very close to receiving a straight "A" average. All of them have taken especially active part in school affairs. Carol Jean Kruse was Editor-in-chief of the BELOITER and Jeanne VandenNoven was Co-editor of the Increscent.

SENIOR CLASS ADVISORS

Mr. Nee, Mr. Pink, Miss Ritenour, Mrs. Teska

We, the class of 1950, have every reason to be proud of the record we've left. Entering Beloit High School in 1947, we were a class of 400 excited and enthusiastic sophomores. Everything was different and fascinating. There were Proms, Clubs, pep-sessions, assemblies, a weekly newspaper, elections, Military Ball—and, an annex! Even studies and examinations took on a new meaning as we realized we were preparing ourselves to take our places in a new and changing world.

We elected capable Sophomore officers: President, Don McClellan; Vice-President, Gene Curtis; and Secretary-Treasurer, Joanne Morash. Our first Homecoming celebration was a big thrill, and also during that year we had our first all-school Carnival, "Spring Round-Up". There was the added thrill of winning the Big 8 Conference in football.

In our Junior year, we chose Jerry Lathers, Carol Kruse, and Joanne Morash to lead us. That year we chose our class rings and really felt a part of B.H.S. We won the football championship again and also the basketball Regional Tournament. The Junior-Senior Prom fulfilled all our wishes for a wonderful dance. King, Dean Phelps, and Queen, Pat Kleiner, were the happiest couple of the evening.

Our never-to-be-forgotten Senior year was all we could have asked for. Gene Knutson was elected class President; Don McClellan, Vice-President; and Holly Samuels, Secretary-Treasurer. Kent Smith became Chief Hall Monitor. "Vandy" and "Schultzie" edited the Increscent and Carol Kruse and Phyllis Everill edited the BELOITER, aided by a majority of the seniors. We took second place in the Big 8 in football and our super basketball team won the Regional and Sectional championships, and went on to the State Tournament to make a good showing. What senior will ever forget the fun during that tournament! We worked hard to present our class play, "Our Hearts Were Young and Gay, which has added glory to the Class of 1950. The Junior-Senior Prom, "Blue Moon" was a glorious success, with Gene Knutson and Joan Bittrick as the happy King and Queen. When we were presented our diplomas, we had a feeling of pride in our days at B.H.S. and also a feeling of regret at leaving behind our friends and teachers who have liked and helped us so much.

JUNIOR CLASS OFFICERS

JUNIOR CLASS ADVISORS

Miss Donner, Mr. Kammerer, Miss Westburg, Mr. Wood

We have now gone three-fourths of the way through our high school career. Soon we shall be seniors making ready to take our places in society. Nevertheless, we shall miss being Juniors, for the past year has offered many opportunities and good times that will be hard to forget.

As Juniors, our first big project was that of selecting our class ring. The class officers and three members of the Junior Class, Barbara Keenan, Louise Krussell and George Merchant, made up the committee. While Mr. Wood and Mr. Kammerer looked on, the representative from the Josten Company displayed about one hundred rings. From these the committee chose three. The whole class then voted for the one they liked best. A very beautiful ring was finally chosen.

When we were sophomores, we elected Barney Neahaus as our President, George Merchant as Vice President and Margo Daws as our Secretary Treasurer. This year Harry Wong, Carl Schuler, and Nancy Bennett were chosen to lead us. Being a class officer is a rich experience for any student, and these people have tried very hard to live up to their responsibilities. This year's officers attended various conventions of student representatives and exchanged ideas with students from other schools.

In May the Junior Class, along with the Senior Class, was very busy with the Junior Senior Prom. Each officer headed a committee. Carl Schuler and Barbara Keenan reigned as Junior King and Queen, with Russ Hansen and Nancy Bennett, and Don Maryott and Pat Graves serving in the Court of Honor.

We are now looking forward to next year when we will be able to present a class play and edit the BELOITER and Increscent. This year's seniors have set a high standard for us to live up to, but we will do our best to make the Class of '51 worthy of being the first class to graduate from the new High School.

SOPHOMORE CLASS OFFICERS

Danny Green, Pres., Carol Jean Sweeney, Sec'y.-Treas., Roger Cary, Vice-Pres.

SOPHOMORE CLASS ADVISORS

Mr. Birkholz, Miss Foss, Mr. Herreid, Miss Macklem.

As we, the Sophomore Class of '49 and '50, look back upon our first year at Beloit High, we remember the good times we have had—right along with difficult tests, disappointing report cards, and other minor details!

It seems like only yesterday that we walked into dear old B.H.S. for the first time with shakey knees and butterflies in our tummies, anticipating a new, different and exciting school year. Oh yes, we had trouble finding class rooms, remembering everyone's name, and getting to and from the annex in time for the next class.

A few weeks after the opening of school, we elected Danny Green as our Class President, Roger Cary as the Vice President, and Carol Jean Sweeney as our Secretary Treasurer.

These, along with other home room representatives, attended weekly student council meetings where many problems and projects were taken up. Here we helped with the Homecoming, the Snake Dance, the All-School Carnival, and the Junior-Senior Prom. We have had a lot of fun going to these meetings and helping to make them a success.

Now we are looking forward to the time when we will be Juniors and Seniors. We also hope to have just as fine football, basketball, and track teams as we have had this year. Some may say they will be glad when they graduate, but you know down deep they really enjoy school, and that when the time comes to graduate, we'll wish we were Sophomores again.

Here we would like to say "so-long" to the Senior Class. We want you to know you have been fun, and that we are really going to miss you. Good luck in everything you do from the Sophomore Class.

Ye Olde School House

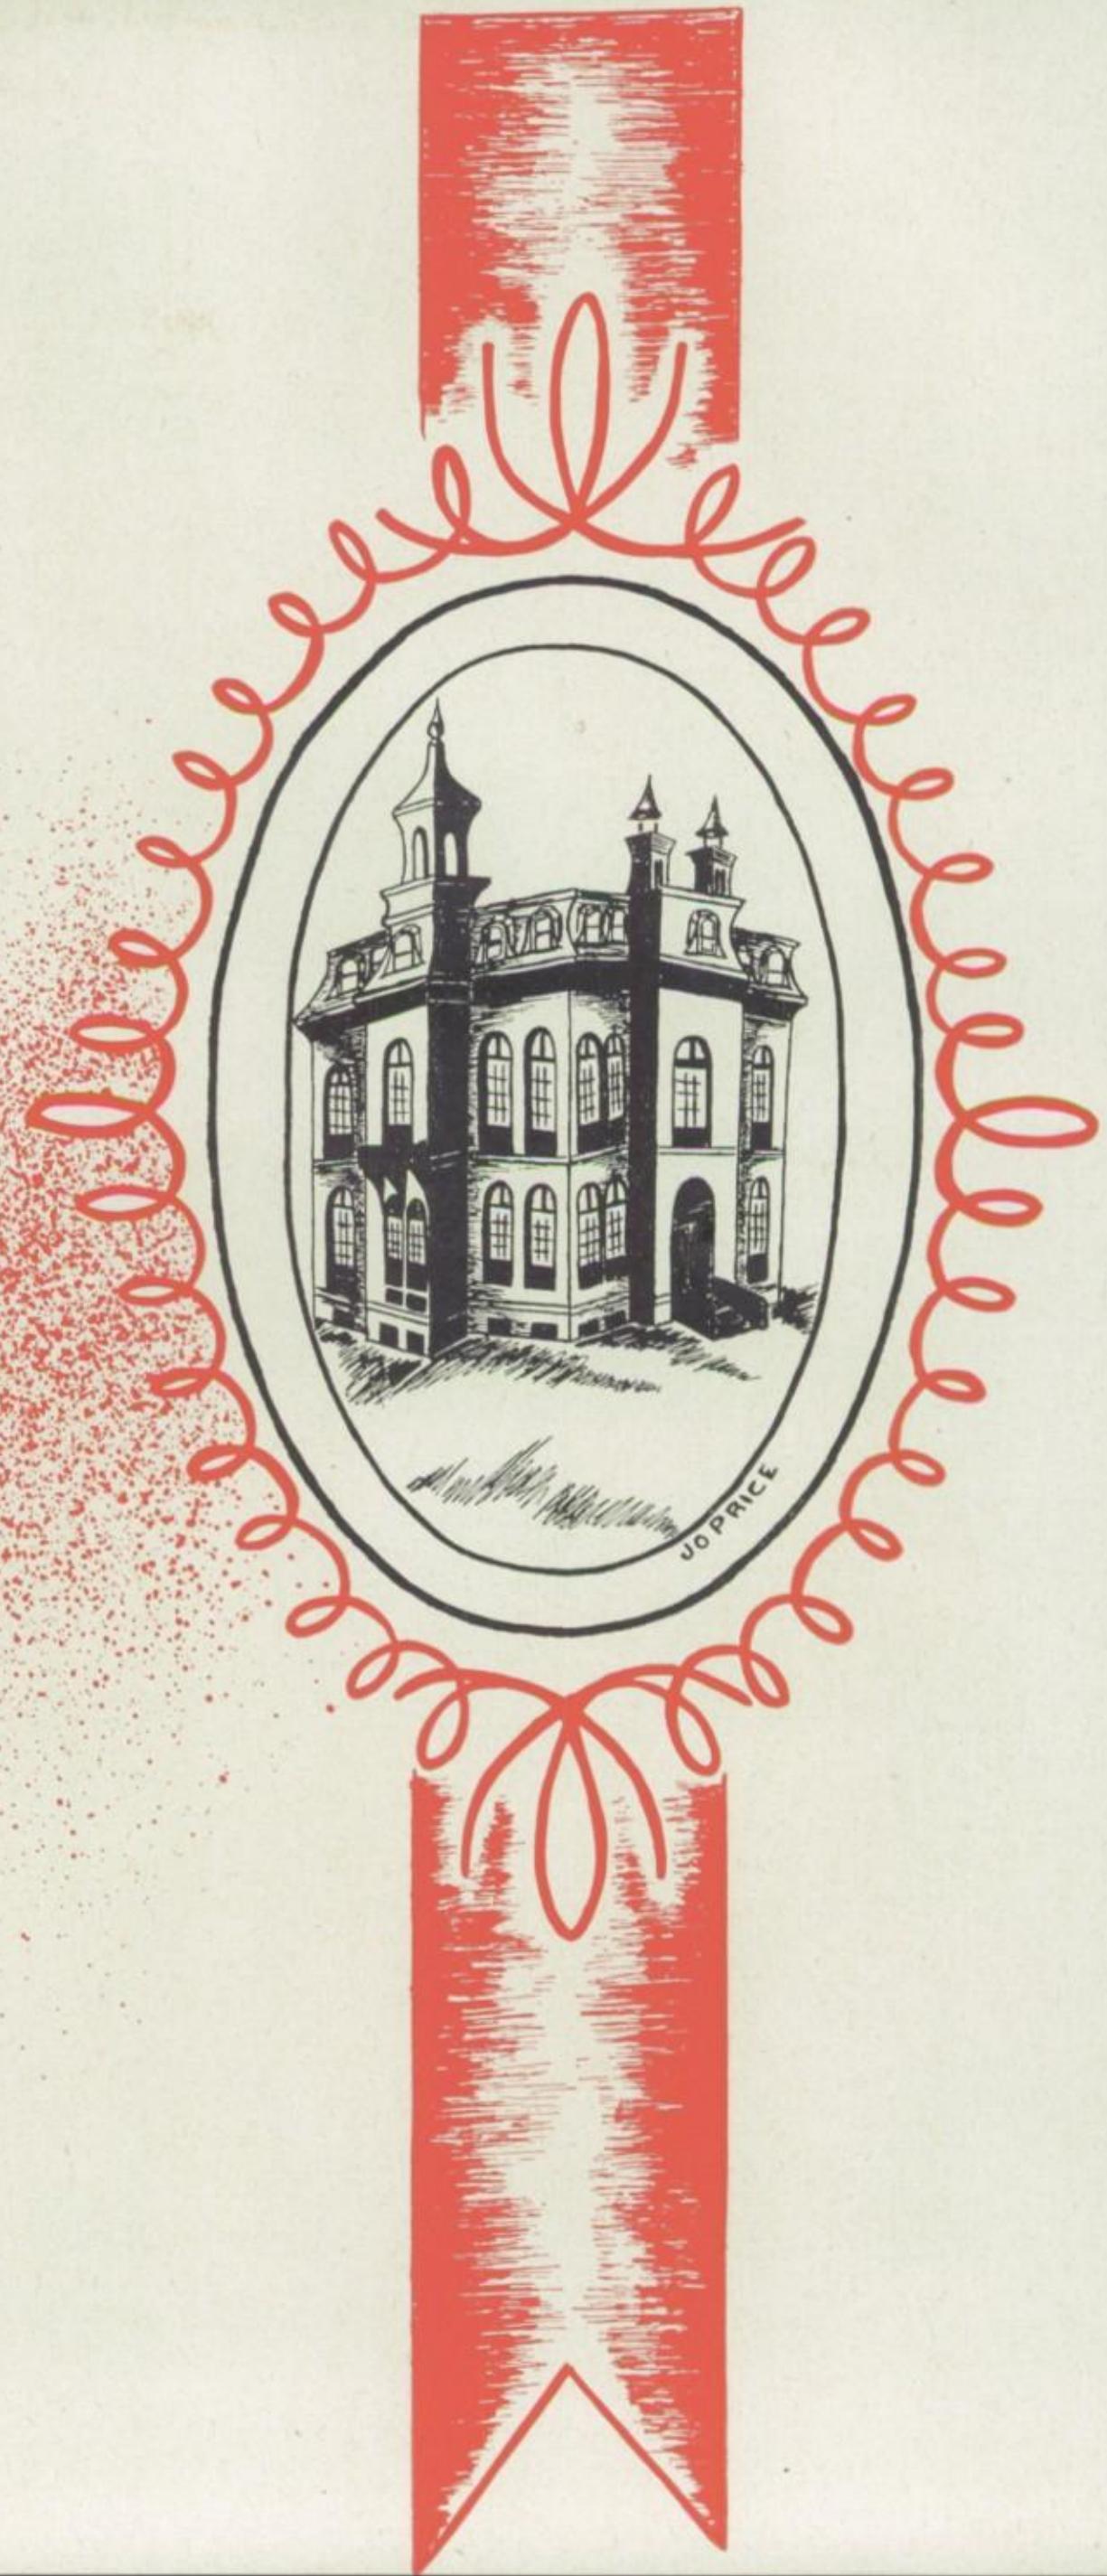

Here are familiar scenes that no one will ever forget. The basement with its maze of hot air pipes and pillars; the annual Christmas decorations and the big tree for our whole "school family"; the back of the building that REALLY looks old; the main entrance to "Ye Olde School House"; the main hall leading into the tunnel; the main stairs that seem like a race-track at the sound of the 3:45 bell; and the creaky old annex stairs which lead to the second story of the annex itself with its temperatures of "too hot" or "too cold".

The building may not be in the best of condition, but to us it's full of many happy memories, and no new high school could have ever given us more.

School Administration

We, the Class of Nineteen Hundred and Fifty, wish to thank the School Board for all their hard, diligent work. Through their efforts our dream of a new high school is at last coming true. Only last year we witnessed the ground breaking exercises, wondering how a school could ever rise in only a few years time. Now we have an almost completed school.

Each and every one of us owes to these people a debt that can never be repaid. As the years go by, others will take their places, but we can always be assured that our children and our children's children will go to competent schools run by competent teachers and utilizing the most recent equipment and knowledge.

To the Members of the Class of 1950

The Class of 1950 is the largest class ever to graduate from Beloit High School. I congratulate you on your successful completion of the requirements for graduation. As a class, you have been quick to take advantage of every opportunity to improve yourselves, to serve your school, and to better your community. You have set high standards of achievement in scholarship, athletics, and citizenship which may well be emulated by succeeding classes.

On the other hand, may I remind you that your graduation day is truly a Commencement — a commencement of a much larger opportunity for all of you to render the finest service of which you are capable as workers in our community, as neighbors to each other, and as citizens in a world which needs citizenship of the highest character. Your ability to meet these standards in the future will be the true measure of your success in high school.

Files, report cards, club bank accounts . . . all these things and many others are kept in shape by our hard working office staff. They have worked long and diligently throughout the year keeping our files and records in trim order.

We also owe a debt of thanks to our visiting teacher, Mr. Benti, who has done many of the tasks necessary in keeping a school such as ours running smoothly. He has helped students get jobs and kept the school attendance high throughout the year.

To the servicemen another hand should be given. These are the men who do the repairing, cleaning, oiling, and take care of the other things that go wrong around the building. When our lockers are jammed or we lose our key, when the electricity goes off, or when something breaks or refuses to work, they always answer our cries for help.

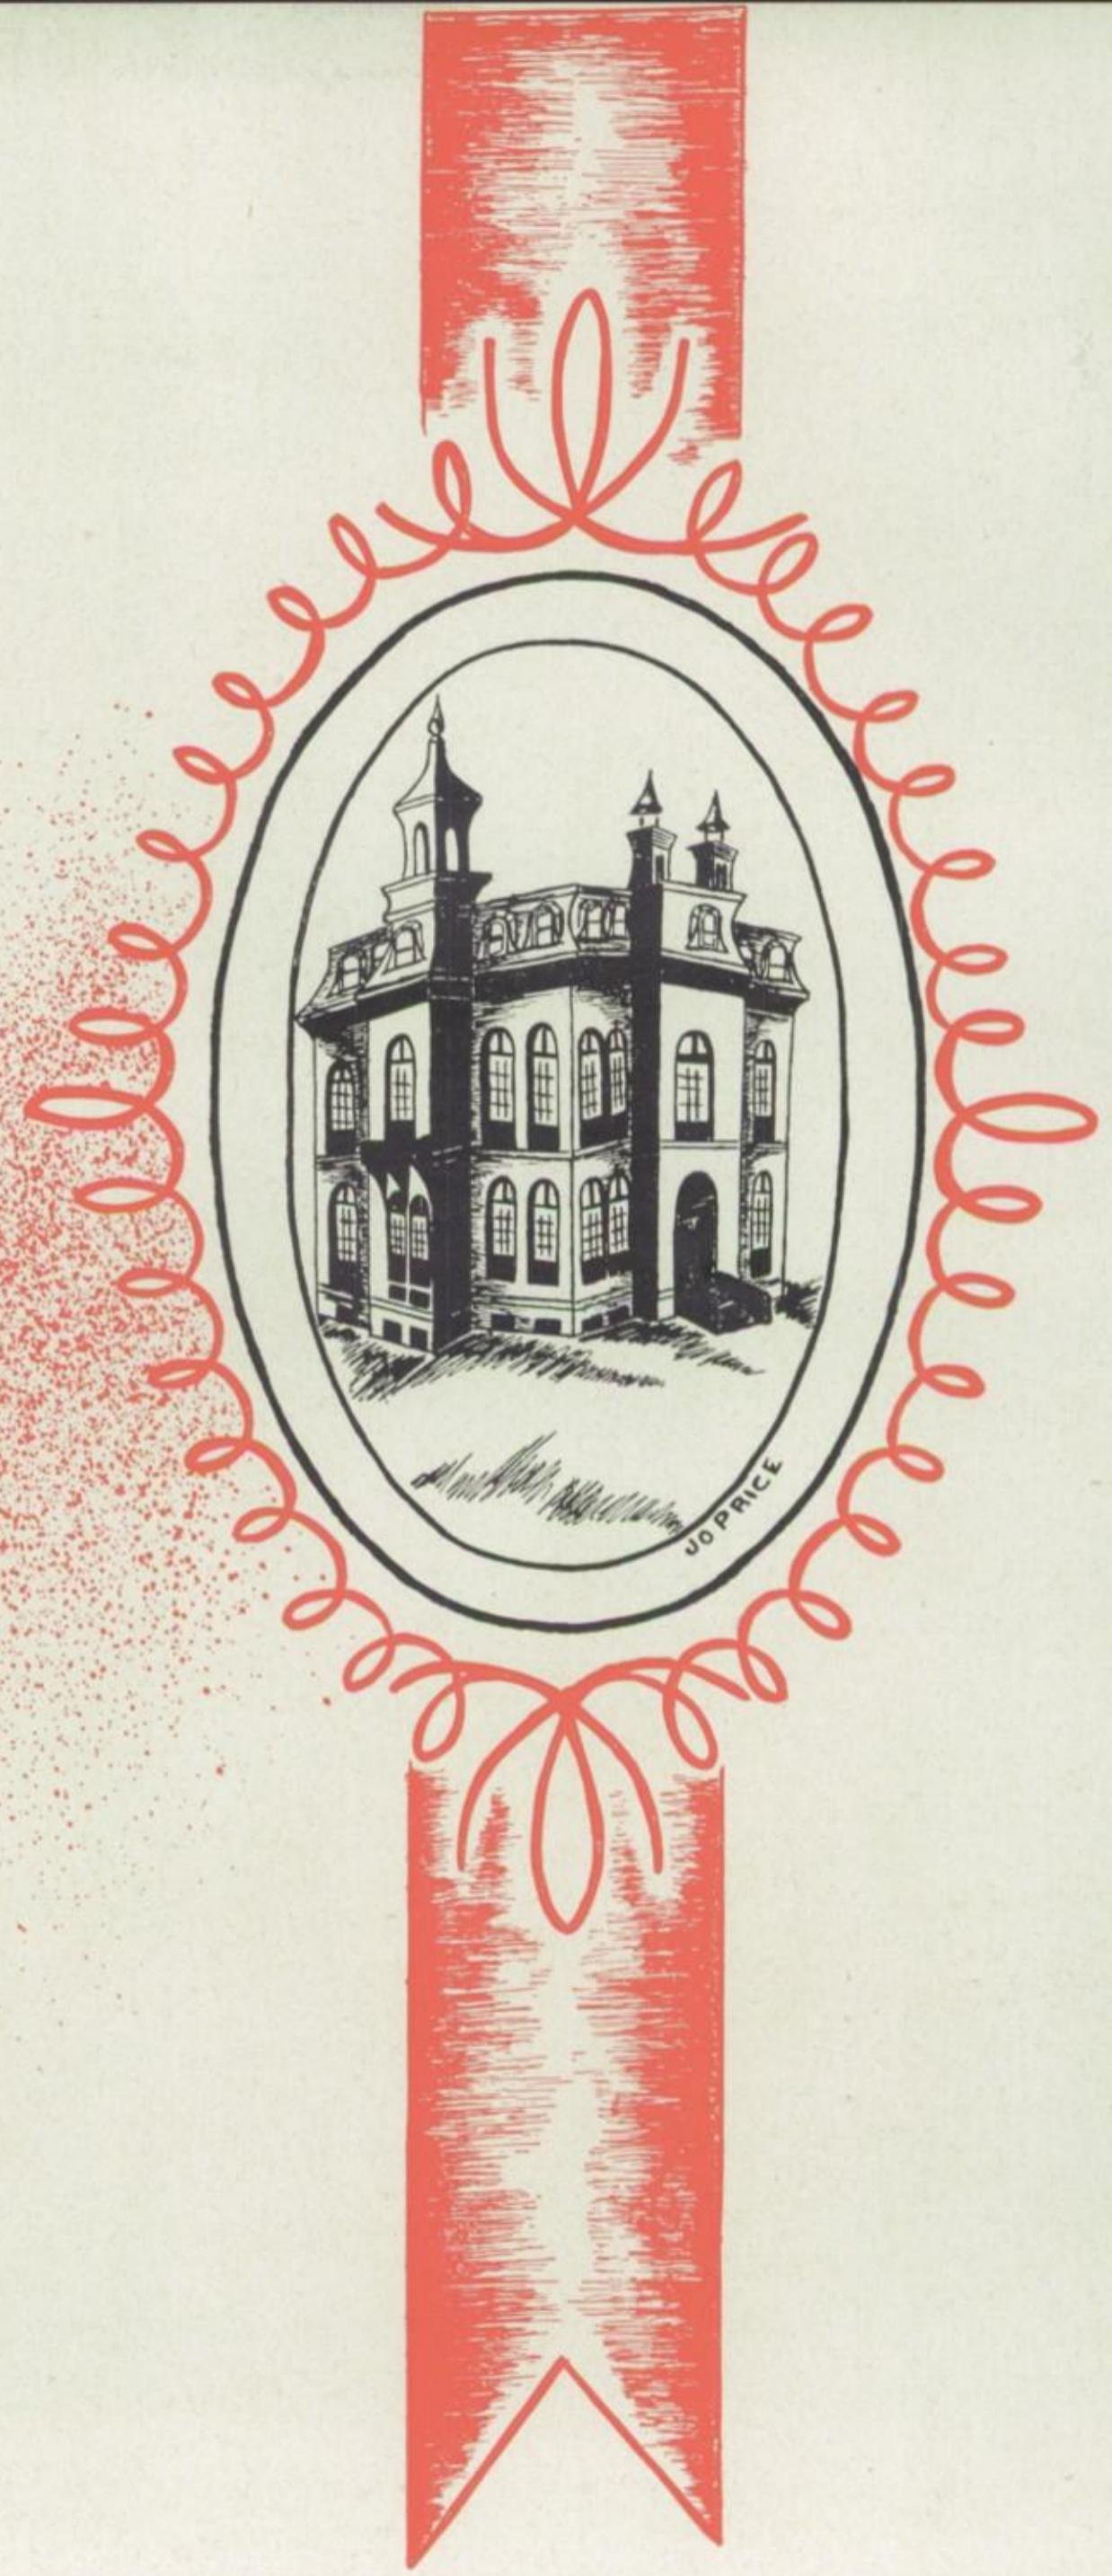

The Class of 1950 would also like to take this opportunity to express their appreciation to our principal, Mr. Everill; the advisors, Mr. Barron and Miss Corpe; the guidance teachers, Mr. Pink, Mr. Provus, and Mr. Smiley; and the entire faculty for guiding us through our high school years.

Our faithful servicemen—Don Folts, Robert Aimers, Milton Oestreich, Marcus Winchester, Harry Kreider, Mrs. Margaret Bunker.

Homecoming

HOMECOMING DANCE

-PLACE-
LEGION HALL
OCTOBER 28, 1949
-TIME- -ADMISSION-
9:45 50¢

Preparation for Homecoming at Beloit High began long before the eventful day scheduled for October 28. Floats were being made, voting for the Queen and her court was taking place and the football team was receiving last minute instructions.

A short pep assembly was held out in back of BHS at the dismissal of school to arouse everyone's enthusiasm to "fever pitch." Nearly thirty floats took part in the long parade which followed the rally. The band, R.O.T.C., the cheerleaders, the team, and the queen and her court led the procession through town. A Cris-craft, graciously lent by Mr. Mork, was the unusual method used to carry the royal party.

The crowning of the Queen took place before the Beloit-West game. Holly Samuels received her crown from the

hands of last year's Queen Joley Yeager, while the new court made up of Joanne Marsh, Phyllis Gunderson, Nancy Bennett, Margie Soper, P. Corbit, and Carol Jean Sweeley looked on with approval. The R.O.T.C. McNeel Rifles escorted the royalty to the places of honor for the evening.

Rev. Leland Kuns, Mr. Frank Johnston, and Mr. H. Jacobson judged the floats during halftime. Homeroom 2 topped top honors of five dollars with "Fear Not Fair Maiden, West Will Not Harm You." Second place went Homeroom 3 for "Ring 'Em Dry." Columbia Hall studens with "We're Draggin' West" took honorable mention.

To climax this eventful evening, the Beloit Purple trounced the West Regent 21-0.

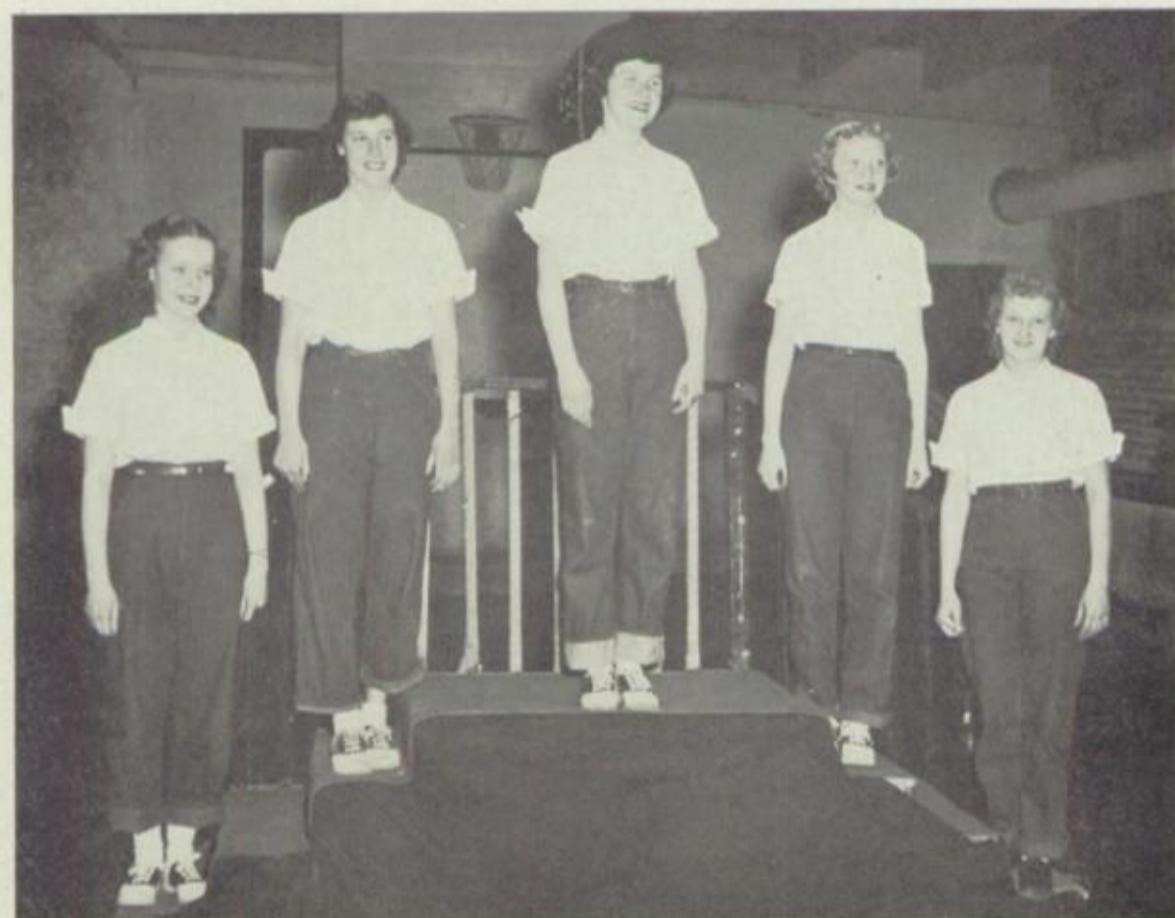

Carnival

"Hear ye, hear ye! Come one, come all!" was the cry heard all around the school the night of the "Spring Round-up". The old building was hustling with activity all day long in preparation for the event. Booths were set up and the rooms were lavishly decorated for the gala affair.

There were many different ways to spend your money and enjoy yourself at the carnival. Booths and concessions, the sending of "Special Delivery telegrams," a dark and dreary pitches tomb, a baby contest, a meter which tested your kissability, a cake walk where you tried your luck, the "Blue Room Night Club," lunch rooms, a ring-toss game in which you couldn't lose, a delightful skit, "Ride the Rails," and many others were the special attractions.

Voting for the queen took place upon entering. Each girl's picture was placed above a box which held the votes. As a "ranch-hand," each person voted for their favorite to reign as "boss" for the evening.

At 9:30 the rooms and booths closed their doors and everyone gathered in the Main Hall for the highlight of the Carnival . . . the crowning of the queen and her court. Ronnie Moen, President of the Student Council, did the honors by placing the western style hat on Sally Reimer who then reigned over the "Spring Round-Up". Holly Samuels, Nancy Bennett, Barbara Keenan, Pat Corbit, and Carol Jean Sweeney became her "foremen." A dance followed the carnival, music being furnished by George Hauser's band.

Thanks should be extended to the Student Council and the special committee headed by Mary Lou Thompson and Gene Knutson.

Awards to rooms with the greatest number of tickets sold went to the Junior Theatre for their skit, Homeroom 311 which sponsored the cake walk, and Homeroom 215 which presented the Blue Room Night Club.

The least publicized and most worthy of all the school organizations is the Student Council; an organization that represents the student body as a whole. It was organized October 6 this year with the purpose of representing the students and setting up school standards and organizing projects. The council took charge of many social events in B.H.S. including Homecoming, the Snake Dance before the Janesville game and the Junior-Senior Prom. It also organized the all-school carnival which took place on April 22. Included in its program was the idea of promoting better relations between schools. It carried this plan out by holding meetings with other Big Eight schools. The council also encouraged correspondence between the students of B.H.S. and students in Germany.

During this past year the Junior Red Cross has completed a number of useful activities under the leadership of Miss Leona Seaver. The roll call carried on by this club amounted to \$64.00 this year in Beloit High School.

At one of the meetings, two of the members told of their activities they had participated in at the Red Cross Training Center at Oconomowoc last summer. The course combined informative knowledge of the history and purpose of the Red Cross with good times. Stanley York, an instructor at the camp, also spoke to the Junior Red Cross about the work of this useful organization at a luncheon meeting at school.

At Christmas time 250 sacks of candy were sent to the Veterans' TB Hospital at Waukesha along with twelve canes and six lamps constructed by the manual training department. The art classes made 125 colorful tray favors which were sent to the Beloit Municipal Hospital. The members bought and wrapped gifts for the Child Center at Sparta also for Christmas.

Quill and Scroll

ADVISORS

INCRESCENT *Mr. J. H. Michna*
BELOITER *Mr. Elmer Terwedow*

Quill and Scroll is an international honorary society for outstanding high school journalists. It corresponds closely to the National Honor Society in its basic requirements for eligibility. Students must be in the upper third of their class; they must have sixty inches or more of published material or have done superior work in editing or business management; they must be of junior or senior classification; and they must be recommended by the supervisor or by the committee governing publications. The purpose of Quill and Scroll, a non-profit organization, is to encourage and reward individual achievement in journalism. The Beloit High School chapter received its charter in 1934.

As the members are elected in the spring of the year and are in majority seniors, the club has no so-called active program but functions as a purely honorary society. It was the custom to have a banquet in the spring welcoming these new members but this function has, in the last few years, been replaced by participation in the honor-day assembly. On this day the names of members are announced and they receive their Quill and Scroll pins.

Members elected as juniors and therefore are standing members are Jeanne VandenNoven, Jean Schultz and Tom Krause. New members from the INCRESCENT are: Macy Doyle, Joanne Morash, Rosemarie McKillips, Nancy Proper, Janice LeDell, Shelly Anderson, Jackie Spindler, Larry Golberg and Lois Dilly. New members elected from the BELOITER staff are: Phyllis Everill, Carol Jean Kruse, Nancy Laing, Joan Kraeplin, Janice Halderson, Eleanor Alvung, Holly Samuels, Bill Iverson, and Martin Kades.

QUOTE

ADVISOR _____ *Mrs. Reinholtz* "Speak boldly and speak truly."

It seems the talented speakers of Beloit High School all went out for forensics this year. Interested students may enter in one of the seven fields; extemporaneous speaking, extemporaneous reading, original oratory, non-original oratory, humorous declamation, serious declamation and four minute speeches. In the fall, a forensic contest was held to give the participants some experience and practice. Then in the spring a local contest was held with the winners going on to the League Contest. Winners of this contest go on to the Sectional Contest and then to the Wisconsin Forensic League State Contest in Madison. This year, three students from our high school were winners in the state contest; Barbara Baptist, humorous declamation, Karen Keller, serious declamation, and Neal Harris, non-original oratory. Let's hope the participants in the years to come may be just as successful as the students this year.

Membership in this honorary organization is determined by the number of points a student holds. A speaker is eligible for membership after he has acquired twenty-one points through service speeches, debate, and declamations. Fifty points is required for a Degree of Honor, one hundred points for a Degree of Excellence and two hundred points for a Degree of Distinction. Kareen Keller has achieved a Degree of Honor, as has Barbara Baptist.

Silver Forensic Keys are given speakers as a token of their achievement. The Keys are set with emeralds, sapphire and diamond stones in accordance with the degree.

Beloit High School students who joined the National Forensic League this year are Ruth Berg, Kareen Keller, Dorla Thurow, Phyllis Everill, Eleanor Alvung, Shelly Anderson, Neal Harris, and Jack Robinson. Carol Jean Kruse and Barbara Baptist were elected to the League last year.

Beginning the year with practically an entire new team the debate squad of Beloit High School was considered a good example for the years to come. With the assistance of two of last year's members, Phyllis Everill and Carol Kruse, the new members, Karen Keller, Susan Smith, Shelly Anderson, and Jack Robinson, gave a good impression at all the debates the squad attended. The resolution this year was: "Resolved: The president of the United States should be elected by direct vote of the people." The season was off to a good start when the team went to Janesville for a practice debate last fall. Following this debate the team made its debut at Rockford East High School in an Invitational meet. As a result of the debate the team won two debates out of the four taking place. After another practice debate, at Rockford West this time, the team went on and won two debates out of four at Madison in the district meet. Credit this year should be given to Mr. Robert Pink for his excellent advice and patience in training a good debate team.

Perhaps the club in school that has devoted the most time to aiding the students is the library club whose members give willingly of their study periods to assist the students in finding books or material from the pamphlet file. Their service is not limited to just looking for books but includes shelving books, filing cards in the card catalogue, checking out books, and doing whatever other work the librarian wants done. The members of the club do much to get students interested in good books in the library. One clever and colorful way to attract their attention is the display of book jackets on the library shelves. The knowledge gained by the library assistants is very valuable to them for most all of the libraries have the same system of cataloging books and thus they need never be lost when entering a library. On the lighter side the members had several activities in which they took part and enjoyed themselves. Their book binding project was not only interesting but was very helpful. Their picture mounting project was also very colorful and gay. The Christmas party and the toboggan party were the highlights of the winter season.

They meet on the first Monday of every month with their advisor, Miss Hoffman, to discuss banking and exchange ideas. The Homeroom Bankers handle the banking for the 1200 students at Beloit High School. They bank approximately \$500.00 per week, which means the head bankers take care of about \$15,000 a year. The officers elected this year are Beatrice Kirley, President and Nina Cain, Vice-President. It is interesting to note that of the three rooms banking 100% all year, Room 3 is a Sophomore class; Room 4 is a Junior class; and Room 311, is a Senior class.

"Calling all business girls," might well be the motto of the Commercial Club, re-organized this year under the able leadership of Miss Ruth Ritenour. The club officers are Shirley Schneider, President; Margie Humphries, Vice-President; Elizabeth Dame, Secretary; and Jenny Pipitone, Treasurer. The purpose of the Commercial Club is to prepare the members for a future in business. Any second year commercial student is eligible to join the club. Club members started activities in the fall by constructing a float for the annual Homecoming Parade. They also visited the telephone office during "open house" for an interesting tour. The club plans for the future include a trip to Milwaukee, a visit to the banks and a visit to a "hopefully" interesting session at the Municipal Court.

The one organization in school that really "clicks" is the Photography Club. All year the members are kept busy taking pictures of interesting situations or beautiful scenery. The desire of each member is to be the winner of the salon, which is the highlight of the year's activities. The members hold a meeting every other Wednesday where they hear many local professional and amateur photographers speak on some of the "tricks of the trade" and also some of the problems involved. Movies are also used to help the members better see the possibilities of photography, either as a hobby or a profession, and to understand the problems concerned. The members are also shown how to develop and enlarge pictures. Some of the year's activities included field trips and speakers. The main event of the year and the climax of the second semester is the annual picnic, which has become a very pleasant tradition.

The Audio-Visual club is composed of enterprising students with a desire to serve their fellow students and teachers by learning to operate and service the various movie projectors, film strip machines, recorders, public address systems, and a host of other equipment used for teaching purposes. The members come in both before and after school in order to get instruction in how to run the different machines or to set up or take down the equipment used that particular day. They give of their free periods to run the movies for the various classes. After a new member has learned how to operate the equipment, he is given a test which he must pass in order to be able to run the movies. The very nature of the club indicates that they have no special meeting date, but rather, the assignments are given to the various operators through the Audio-Visual office. Some activities the club has participated in are the showing of noon-hour movies during the winter months, music played in the halls during Christmas, and the assembly program put on in the main room this spring.

Although this club was just started in 1948 it is as permanent a part of BHS as any of the other clubs and has made wonderful strides this last year in the fields of cooking, sewing, and handi-craft. The members of the club met every Thursday and exchanged helpful hints about cooking or sewing and also got instruction from their advisors in the various fields covered by the club. At every meeting the cooking group, under supervision of Miss Anderson, prepared something for the members of the club. Sometimes it was a salad and sometimes a hot dish. In the sewing division under the leadership of Miss Karrys the girls made new articles of clothing and mended old ones. The girls in Miss Seaver's group learned such handicraft work as crocheting and knitting. Speakers were heard by the members and gave them new ideas about things to make and how to make them. Round table discussions also added to the interest of the club and the knowledge of the members. The Christmas party which has become a tradition with BHS clubs was a great success and was enjoyed by all the members.

The hopeful Rembrandts of the future make up the thirty-one members of Beloit High School's Art Club. They meet on the second and fourth Monday nights with their advisor, Mrs. Daws. Club officers this year are Carmen Berkshire, President; Barbara Kramer, Vice-President; and Nancy Laing, Sec'y-Treasurer. The Art Club started off the year's activities with a lively Halloween party. They also held several work shop periods this year. A very worthwhile project was the making of favors for hospital trays at Christmas time. Several interesting speakers have demonstrated various crafts during the year. Miss Vera Gilbertson demonstrated and explained rose-maling; Mr. Harold Noreen gave a printing demonstration and Miss Donna Johnson presented an interesting speech on table setting and decoration. The members viewed the slides of the Milwaukee Journal Calendar Contest winners for 1950. One of the highlights of the year was the trip to Chicago where the members visited the Shedd Aquarium and the Art Institute for an interesting and educational tour. Their future plans include a trip to the museum and art hall in Milwaukee.

The purpose of the newly-organized Conservation club was to get the boys interested in methods of conservation. They endeavored to protect the land of the future by learning the facts of the country. There were regular meetings held with discussions on problems of conservation methods. The members of the club went ice fishing this year. This proved to be an interesting and invaluable experience for the members, especially for those who had never been ice fishing before. In the spring two members of the organization, Dick Dawson and John Fresley, went to a conservation school for three days at Eagle River, Wisconsin. Upon their return they had many valuable and interesting things to relate to the members of the club concerning conservation.

The Future Farmers club is nationally organized for farm boys who are studying vocational agriculture in public schools. It is affiliated with the National Vocational Education Act. The members meet the second Monday night of every month. At these meetings the club endeavors to develop leadership, cooperation, citizenship, improve agriculture, and patriotism.

The activities this year included the F.F.A. Quartet Contest where Beloit won first place in the sectional contest and came out third in the district contest. The members of the quartet are Alan Sorenson, Robert Toft, Duane Austin, and Ken Endthoff. The members also distributed 2600 trees for farm windbreakers and soil conservation. The wood lot planting crew planted elm, white pine, Norway pine, jack pine, white spruce and Norway spruce. This is the second year that this project has been carried on. The officers participated in a leadership training conference. There was a trip to Chicago in December to visit the International Livestock Exposition. The year's activities were ended with the annual Spring picnic that was held in June.

"To be or not to be: that is the question." That may be the great dramatic question, but there is no question in this dramatic club as to whether they can be a happy and successful organization, for they have proved their worth in this past year. Not only is this the largest of the school clubs, but in this last year it was perhaps the most active, with its very diversified range of activities. Since all of the 180 members can not participate in all of the activities at once, groups of students join all sorts of these events held during the year, which include plays put on for churches, skits for assemblies, etc. Forensics play an important part in the Junior Theatre year, and the competition for the awards is very keen. Under the able leadership of Mrs. Reinholtz, much talent, formerly hidden, is brought to light, and those who have an interest in dramatics find a way to develop it in whatever field of the theatre they choose. Meetings are held every second Monday of each month. The programs at these meetings are furnished by the members themselves. The two annual events of the year are the talent show and the picnic, both of which are enjoyed by all.

Senior Class Play

The Senior Class brought the "roaring twenties" back with a bang on May 8th and 9th at Lincoln Junior High School with their presentation of "Our Hearts Were Young and Gay." Final try-outs were held March 23, and Mrs. Reinholtz, director of the play, with the assistance of faculty members, Mr. Pink, Miss Crawford, Miss Ritenour and Mrs. Teska, announced the following: Cornelia, Eleanor Alvung; Emily, Kären Keller; Leo, Jerry Lathers; Dick, Ross Lathrop; Otis Skinner, Ronnie Fisher; Mrs. Skinner, Virginia Beadle; Monsieur de la Croix, Bill Bolgrien; Harriet, Nancy Laing; Winifred, Norma Bennett; the steward, Don Diers; the purser, LeRoy Stevenson; the admiral, George Hauser; the window washer, Dick Hoffmann; Therese, Holly Samuels; Madame Elise, Phylis Everill; the stewardess, Shelly Anderson; and the inspector, Jack Robinson. Ruth Berg served as a student director.

The plot centered around Cornelia and Emily, who take an unchaperoned ocean voyage in 1923—the year when chaperones were still in vogue. Utterly confused by shipboard procedures, they find themselves constantly in trouble with the ship's officials. Adding to the excitement they capture a stow-away, come down with a terrific case of measles and worse ones of puppy love. Arriving in France, Cornelia sets out to become a great actress, only to be thwarted by Monsieur de la Croix, who is interested only in her famous father. They are joined later by the Skinners and the havoc returns to normal—with the exception of Cardinal Richelieu's bedbugs. The entire plot was based on several true incidents experienced by Miss Skinner and Miss Kimbrough.

The production staff worked hard and efficiently. The hard work of business manager was capably handled by Larry Golberg. Carol Kruse served as stage manager with the help of Sally Reimer. Other committee chairmen were: tickets, Shirley Leach; publicity, Joanne Morash; small props, Joan Kraepelin, large props, Betty Whitmore; costumes, Marilyn Keepers; sound effects, Bob Toft; make-up, Joan Bittrick; lighting, Jerry Sinclair; bookholders, Jeanne VandenNoven, and Jean Schultz. Donna Inks was the understudy.

The German Club of Beloit High School was organized late last year. It was decided that meeting days would be Thursday during the noon hour. The purpose of the club was to further the study of Germany and its language. The club also desired to improve relations between the "adopted" German schools and our own. One method of improving relations was the exchange of letters between classmates of the two schools. These letters proved to be not only interesting but enlightening as well. Interest in the letter exchange idea was aroused by the Student Council Correspondence Campaign. The German Club participated in the annual Homecoming Parade by constructing an unusual float. The members of the club were also kept busy and interested in various social affairs sponsored by the Foreign Language group, especially the annual Christmas Party.

Since it is often said that experience is the best teacher, Mr. Zupsich, and his French students have decided that the best way to instill the French language and customs into their minds is to actually try some of these custom for themselves. Comparisons were made of some of the French holidays and our own, and the members of the club were quite surprised at the difference between some of the French customs and our own. The outstanding difference was that the "Easter bunny" is not recognized in France, but the church bell fulfills the duties of our "bunny." French carols were sung at the Christmas party, which was enjoyed by all. Plans for the second semester included a pot luck supper, which was very pleasing, not only to the disposition, but to the appetite as well. During the year the students saw several movies, which added to the interest of the course by actually letting them see how the French live.

A good example of school spirit and that "get-up-and-go" pep, that is a characteristic of all BHS students, was shown by the Latin club and the list of activities which they added to their credit this last year. They have had a full schedule of activities, which has kept them busy with plans and preparations and final participation. The first event of the year was the traditional homecoming float, which added to the color and excitement of the home game. Another tradition of the Latin club is the Christmas party with the foreign language students. As in other years this was a big success and offered much credit to the clubs which participated. The coming of the April showers also indicated that the time was near at hand for the annual Roman banquet, which is always anxiously awaited. The spring picnic with all the foreign language classes marked the end of a very busy and interesting year for the club.

With the organization of the Spanish club in September, the fuse was lighted for a skyrocketing program of activities for the 49-50 year. All of these activities were carried out with credit to the club and much satisfaction to the members. The first project which the members looked forward to was the homecoming float, which added much color and gaiety to the homecoming parade, and did much to capture the spirit of the group and direct it on to the next project, which was the Christmas party with all the foreign language students. This was the highlight and climax of the first semester. The beginning of the second semester was a time for cooperation for the assembly, and with the May flowers, came the spring picnics, which were also shared and enjoyed by all the foreign language classes. Even with all these activities, the members had no specific meeting dates and met only to plan specific projects.

"Heavy, heavy, hang over thy head."

One of the most worthwhile clubs in school is the hall monitor's club, whose members' job it is to keep order in the halls between classes throughout the day and to give directions to visitors. The hall monitors are stationed at various positions through the halls and give assistance to teachers by delivering slips from the office and by keeping traffic in the halls at a minimum during classes. Under the able advisorship of Mr. Smiley, the members have worked out successful plans for the routing of student traffic on the stairs, in order to avoid confusion. The students have cooperated quite well with this arrangement, and only a few have caused any trouble. Meetings are called only when it is felt necessary to have them settle some problem which has arisen. These problems are worked out with suggestions from the monitors as well as from Mr. Smiley. Although any student who has average grades or better can qualify for a position as hall monitor, preference is given to those who are conscientious and who would really like to be of service to the school and to their fellow students as well. The hall monitors were all recognized formally at an assembly this year.

The Hi-Y Council is composed of representatives from each of the various and varied Hi-Y clubs. The clubs represented are the Badger Hi-Y, the Senior Hi-Y, 50 Hi-Y, and 52 Hi-Y. The main function of the council is to create interest in the different Hi-Y clubs. The council also sees to it that all organized projects that have been sponsored by it are properly carried out.

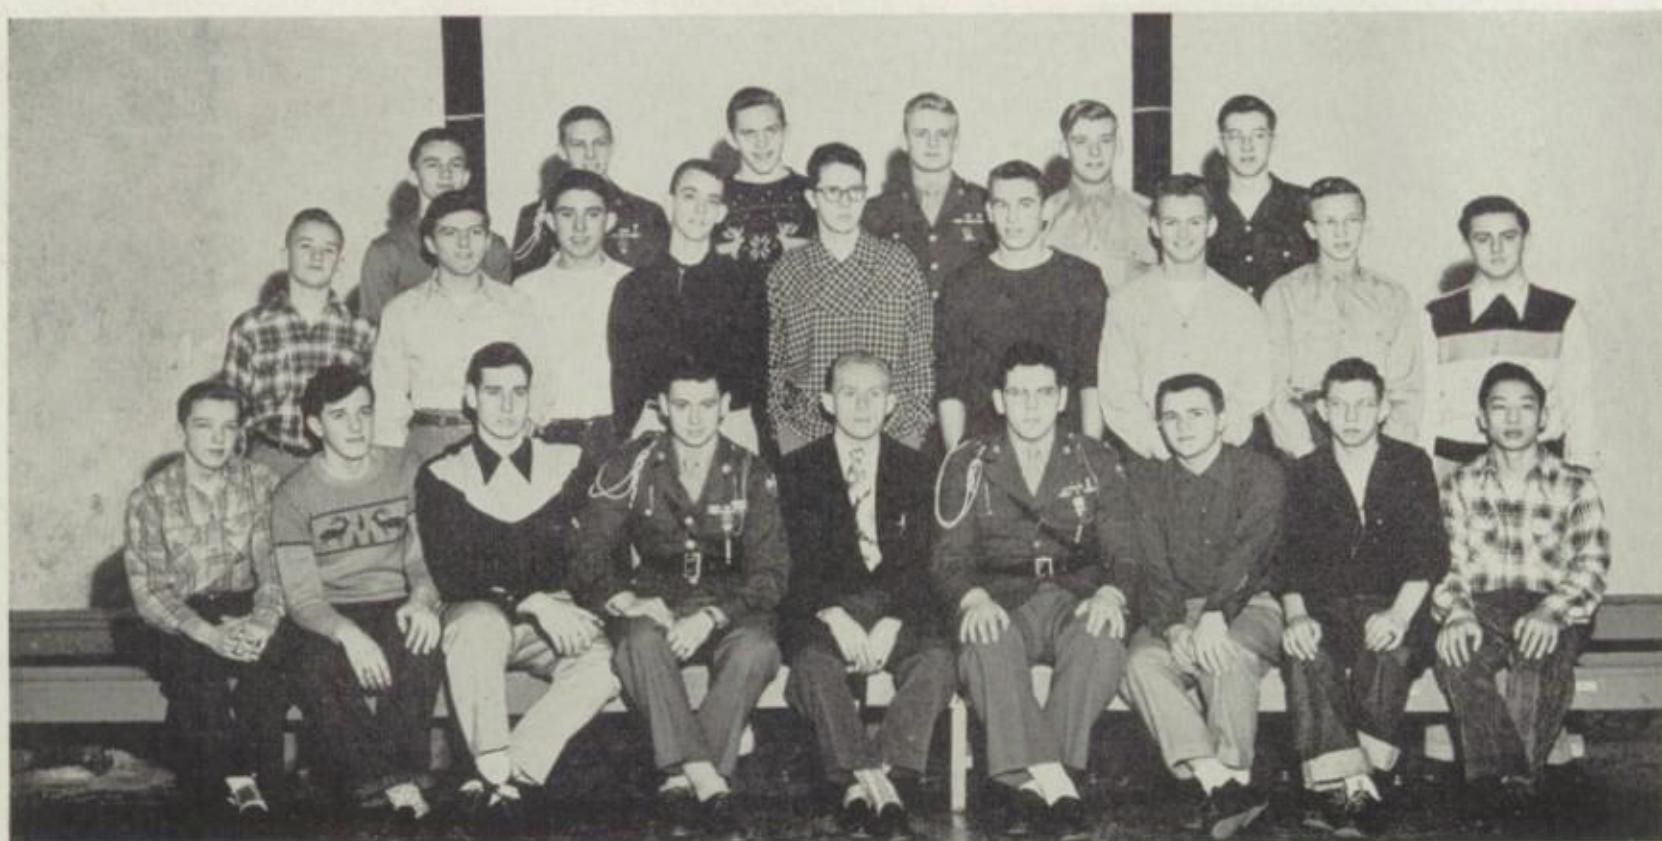

This year the Hi-Y Council was responsible for dances after the football and basketball games. These dances were held at the YMCA with admission open to Beloit High School students and visiting students. There were "season" tickets offered for admission to the dances and many high school students invested their "hard-earned" money in them. Other projects included panel discussions with Beloit College students on current topics and the donation of \$100 to the remodeling drive.

Senior members of the council are Bob Reneau, Bob Garofolo, Chuck Lindquist, Bill Bolgrien, Jack Henne, and Dick Stewart. The Sophomore members are Fred Gobel and Russell Hebb. The council was ably headed by its advisor, Mr. William Porter.

The Senior Hi-Y of Beloit High School is a branch of the National Hi-Y Association. The members met every Tuesday evening at 7:30.

The group participated in many and varied social events. The first event of consequence to the whole school was the annual Homecoming game. This year the boys provided the float for the queen and her court to ride on in the parade. The float was unique in the fact that a Cris-Craft was used. After the game the club sponsored a Homecoming Dance which is also becoming famous as an annual event. One of the most colorful socials was the annual Christmas Ball which the club presented and carried out successfully. The theme centered around "Christmas Carols" and the decorations were carried out with that in mind. In the spring the Hi-Y prepared the Sock Hop Dance which 350 students of Beloit High School attended. Proceeds of the dance provided the fifty-dollar scholarship awarded to the most outstanding member.

Other social events, besides those mentioned above were co-ed splash parties, movies, and card parties for the members. These events were met with approval and brought the year's activities to a successful close.

Under the leadership of Bob Garofolo, the Badger Hi-Y had a very profitable year both from the standpoint of knowledge gained, and entertainment. At the meetings, which were held every Wednesday, the members discussed problems confronting the people of their age as well as social or religious problems. Discussion groups were held and these panels often took up some problem of interest to the members and talked about it. As program chairman, Gene Knutson balanced the year with both serious meetings and gay parties. The first of these parties was the Halloween party which went over with a bang. The Badger Hi-Y also sponsored hay-rides and dances. The Christmas party was more or less the highlight of the year's activities and was very much enjoyed. The members of the club have the common purpose which is to have fellowship with others. This purpose was certainly fulfilled this year.

There are eighteen active members of this year's Sophomore Hi-Y group. When the word active is used we really mean "active". This year they participated in the Hi-Y Basketball League and were fortunate in having no forfeits. They helped with the Hi-Y dances by taking tickets. They sent representatives to the Hi-Y training camp held in August and November.

Of course, we could not forget all the parties they sponsored. The party that was held just before Christmas was a huge success. The eleven couples present enjoyed themselves dancing and watching movies. The refreshments served added to the enjoyment of the guests. Another party was held May 19th that was similar to the Christmas party.

This group was also fortunate in having an excellent attendance rating at the joint Hi-Y meetings. The group listened to speakers, had panel discussions, and other forms of interesting programs. The sophomores were also represented in the Hi-Y Council group. Outside of all these activities the group also found time to help fix and paint new table tennis tops for the Boys' lobby at the YMCA. They climaxed the year by contributing to the "Y" modernization fund.

Vim, vigor and vitality were the chief characteristics displayed by our cheerleaders this year. They were full of pep and an excellent example of sportsmanship this year. They participated in the assembly programs and led the cheers at the football and basketball games. Many times it was their leadership in cheering that brought our team to its victory. The varsity squad was composed of Rosemary Elmi, Nancy McCarthy, Sally Reimer, Joanne Morash, Pat Stephens, and Jim Coates. It might also be mentioned that Jim is the first boy we've had on the squad for a number of years. Members of the sophomore squad were Willie Foch, Beverly Markley, Barbara Caldwell, and Bonnie Rogers. They made a very snappy appearance during the latter part of the basketball season in new uniforms with purple ballerina skirts and purple jackets trimmed with white. The cheerleaders for this year were chosen from a large group of candidates by a faculty-student committee at the beginning of the year. Their practices take place on Thursday afternoons under the able advisorship of Miss Jean Foss.

The "B" Club is an organization composed of boys who have won a letter in athletics at Beloit High School. Any boy is eligible to join as soon as he has won this letter. To remain in the club, however, a member must win at least a minor letter each year throughout his high school career. Also a boy may be dropped from the club if he misses three consecutive meetings or does not live up to the Club's constitution.

At the present time the B club boasts a membership of eighty boys. The annual B Club Banquet was held in the fall with Willie Jones, football and track coach of Madison West and a former coach at BHS as the main speaker. The members also sold programs at the basketball and football games using the profit for a worthwhile purpose. This year the boys plan to use the money to buy something for the new high school. They are in hopes of purchasing a whirl-pool bath for the athletic department.

"Fellowship is life and lack of fellowship is death."

Interclub is made up of the officers of all the Y-Teen clubs in Beloit and the officers of the South Beloit Y-Teens. The meetings are held once a month on a Thursday night. The different clubs serve dinner to the members each time it is their turn. These suppers usually consist of a hot dish, beverage, bread, and a dessert.

The purpose of Interclub is to help organize the other Y-Teen clubs and help them in any way possible. The members are responsible for plans made for joint social events.

This year one project of the club was to plan the annual Roll Call Week. The girls brought chocolate bars to their Club meetings and these were shipped overseas. Another project was a bake sale to raise money for the treasury. The annual Y-Teen Children's play was chosen and the members helped the cast and production staff in many ways. In the line of social events the members held a pot-luck supper for the officers of the various Hi-Y clubs in Beloit and the members of the South Beloit Hi-Y. In addition to the supper the South Beloit Hi-Y and Y-Teen panel group lead a discussion on the social problems teenagers face.

"...keep the grasp of fellowship."

The senior Y-Teens started off the year with the traditional Sophomore Tea. With the assistance of the Junior girls the Sophomores were given a "rousing" welcome into the YWCA. Next on the long list of social events was the Football Banquet to which the members invited the Varsity Squad of good old BHS. Another event which concerned athletics was the pot luck supper held before the Beloit-Janesville basketball game. At Christmas time the members participated in the traditional "Hanging Of The Greens" ceremony.

The new year started with a "bang" with plans for the annual Childrens Play. "Snow White and the Seven Dwarfs" was chosen and the job of director was capably filled by Carol Kruse. After weeks of tedious rehearsal the play was put over with tremendous success.

At the bi-weekly meetings on Thursday nights the members had several varied programs. Movies on the New Orleans Mardi Gras were shown, discussions on sorority and college life were given, and a skating party was held. All in all the members had a busy and eventful year to look back on.

"The right hands of fellowship."

The purpose of the Junior Y-Teens club was "to grow as a person; to grow in friendship with people of all races, religions and nationalities, and to grow in knowledge of God."

The first event of the year was the annual Sophomore Tea where the Junior group collaborated with the Senior group to welcome all the new Sophomore girls. The members of the group also helped with plans for the Recognition Dinner which was held at the Second Congregational Church. Other events in the Y-Teen program were; a splash party, Christmas caroling, assisting with the Y-Teen play and the "Hanging of the Greens". The members made up and sent a Thanksgiving basket to a needy family.

The last event of the year was the preparation of the annual Senior Farewell where the Sophomore and Junior Y-Teens bid a fond good-bye to the Senior members.

The first meeting of the Sophomore Y-Teens was held on September 20th. The members agreed that the purpose of the club should be "to create a better understanding between girls of other nationalities and religions." The first decision of any importance was the dividing up of the members into three groups. This was done as the 89 members could not hold successful meetings in such a large group.

Among the social events the "Autumn Fling" was the outstanding party of the year. The members also held a hayride and several small group parties. During the Christmas vacation the groups banded together and went caroling.

With the advice and counsel of their advisors, Miss Evelyn Jones, and Miss Alice Daws, the Sophomore Y-Teens had a very successful year in every respect.

How could any educational institution with such outstanding qualities operate efficiently without a newspaper? Beloit High School has its own tireless staff producing a paper that even the text books can't compete with. Tireless is indeed the appropriate description. Their meeting days were aptly described by one of its staff as being "every day of every week of every month of every school year." If anything happened around good ole BHS it could be sure of being in the following edition of the In crescent. Seriously the publishing of this paper is a big job that was well handled this year. The staff and the editors, Jean Schultz and Jeanne VandenNoven, kept on their toes and met all deadlines with a minimum of effort, and a lot of work. In this way the student body and the faculty had an accurate coverage of the school news all year. Mr. Michna and Mrs. Teska proved to be the "driving" force for the paper and with their efforts the In crescent proved itself to be an outstanding paper.

Our BELOITER is an annual that requires work all year around; before classes, after classes, at noon and on school holidays. This year the annual was fortunate in having an efficient and qualified staff. The leaders of this staff, Carol Kruse and Phyllis Everill, did admirable work throughout the year in keeping the staff "on their toes" and seeing to the tremendous and difficult job of publishing the annual. Mr. Elmer Terwedow provided immeasurable aid and direction serving as the advisor over this group. Special gratitude should also be extended to the Rockford Illustrating Company, the Beloit Daily News, and the National Book Binding Company of Stevens Point. Without them the BELOITER would have been at a loss.

Orchestra

The Orchestra of Beloit High School should be commended on the fine performances it presented during the year. Under the capable direction of Mr. Donald B. Cuthbert, the members have accomplished great things. The Orchestra executed with almost professional ability some of the best known symphonic compositions.

Their combined concert, with the Choral Department, was given on May 16th at the Lincoln Junior High School. Some of the outstanding pieces played were the First Movement of Beethoven's "Symphony No. 1," "Suite" by Jean-Baptiste Lully, and the "Russian Sailor's Dance."

One of the outstanding events of the Orchestra this year was the trip to Racine on May 18th, where they presented concerts at the Washington Park High School and Racine Horlick High School. The Racine Orchestra, in turn, presented two concerts here.

Throughout the year the members worked hard to obtain the best musicianship possible. They did a considerable amount of sight reading, and listened to records of famous orchestras in an effort to secure the best interpretation possible.

Not only did the members practice in the regular class period, but they also were required to attend sectional and full orchestra practices. These people should be praised for their continuous work toward perfection.

Even though the Orchestra is seldom mentioned, they still should receive credit for their fine work. Congratulations are in order to Mr. Cuthbert and every member of the Orchestra of Beloit High School.

The Beloit High School students are rightfully proud of the Choral department and their director this year. The a capella choir and the other two choruses, under the exceedingly fine direction of Mr. Henry DeBruyne, have presented some of the best programs that Beloit has ever heard by a high school group.

The outstanding public appearances were the annual Christmas and Spring concerts given Dec. 13th and May 16th, respectively.

Other important performances were assemblies at Lincoln and Roosevelt

Junior High Schools, and at the Senior High. The a capella choir was especially well known for their appearances at various clubs and organizations throughout the city. The choirs were also very fortunate in having several very talented soloists, quartets, and ensembles, which supplied various numbers at the above performances.

A great amount of deserving credit is due to Mr. DeBruyne. Beloit High School has been extremely fortunate in having one of the best directors in the state. The students of Beloit High are grateful to him for his accomplishments in the choral department.

One of the finest high school bands in the state is our own organization in B.H.S. The members, under the superior direction of Mr. Donald B. Cuthbert, have shown outstanding musical ability and consequently have presented excellent performances.

The band's 12th annual concert was given on March 19th and 20th. Students and adults were agreed that this was one of the finest concerts ever given by the high school band. A few of the numbers that appeared on the program were Toccata and Fugue in D Minor by Johann Sebastian Bach, Overture—"Anaceron" by Cherubini, and the "Sorcerer's Apprentice" by Paul Dukas.

At the beginning of the year, most of the time was devoted to the production of the marching band where teamwork and cooperation along with self-discipline are necessities. The formations performed at football games were evidence of the hard work put in by the members and their director. The latter part of the year was used in promoting the development of individual and group musicianship. During the spring season, the members were busy preparing for the annual solo and ensemble contest.

The band has earned fine recognition and has become very well known by their many performances at public gatherings. This year the band has performed some of the best and most difficult formations ever accomplished. The students of Beloit High School are justified in being proud of this organization.

As honorary members of the cadet corps, the four sponsors, elected to their ranks by the cadets, have participated in inspections, and at parades and reviews. Being members of the Silver Sabers, they also helped in preparing for the Military Ball. They were trimly uniformed with military blouses and caps, and black skirts and shoes. Battalion sponsor was Maj. Verna Crawford, while Capt. Gwen Engstad served as sponsor for "A" Company, Capt. Pat Graves, "B" Company, and Capt. Margo Daws, "C" Company.

The standards of the Sponsors must be high. Each girl must have a scholastic average of at least a "C". Their term of office is automatically ended after a period of one school year. One girl from each class was elected and assigned to a company, and a senior girl took over the duties of the Battalion Sponsor. Each appointee to the position had to meet with the approval of the Principal and the Dean of Girls, as to character, poise and personality.

Military Ball

A traditional social event of Beloit High School, the Annual Military Ball was held February 18, 1950, in the appropriate setting of the National Guard Armory. It has become the best attended high school formal of the year with 180 couples present.

A blue and white ceiling of crepe paper was set off by a huge, suspended, rotating ball which cast glittering images of light around the ballroom. The sabers of the officers pierced giant red hearts on each of the pillars in the room. Official insignia of the R.O.T.C. and its organizations on the walls around the room completed the decorations for the function.

All couples were greeted by the traditional receiving line as they arrived. Major Ted Jaeger and his date, Joan Conroy, Capt. and Mrs. T. C. Florey, Mr. and Mrs. Theodore A. Jaeger, the parents of Ted, Mr. and Mrs. Harold Engstad, parents of Sponsor Gwen Engstad, Mr. and Mrs. Harold Noreen, and Miss Orpha Thompson comprised this line.

During Intermission, the McNeel Rifles, crack drill team of the unit, gave an excellent exhibition of drills, with special emphasis on the Queen Anne Salute. Commander Alan Sorenson led the unit through their paces.

Then . . . the impressive and long-awaited Grand March! Led by the Cadet Battalion Commander, Major Ted Jaeger, and the Battalion Sponsor, Major Verna Crawford, and followed by the company commanders and their sponsors, all the couples circled the room in formation, and then passed through the Arch of Sabers.

The entire R.O.T.C. unit planned and put forth its talents in order to make the evening a success, but without the untiring efforts of Capt. Florey, Sgt. Smith, and especially Sgt. Knight, their goal could never have been achieved. Company "L", Mr. Harold Noreen, and Mrs. Emida Daws also lent invaluable assistance.

The clever programs for the evening were designed by Capt. Margo Daws. Taking the form of an officer's hat, the khaki and gold programs were very effective. The delightful music furnished by Tiny Menzie's orchestra made the evening perfect to the nth degree. It was truly the "night of the year".

The Grand March

Battalion Review

NcNeel Rifles

The McNeel Rifles, crack drill team of the R.O.T.C. Unit, was founded in honor of J. H. McNeel, past principal of Beloit High School. At the beginning of each year, sophomores and juniors are given the opportunity to compete for membership. The full platoon consists of twenty-four cadets and the commander. This year's officers were Capt. Alan Sorenson, Commander, assisted by Capt. Marlin Misner, Lt. Richard Warn, secretary-treasurer, and Maj. Ted Jaeger, Drill Master. The unit performed at the Military Ball, the junior high schools, the sectional basketball tournament, and in several parades. The year was rounded out by an exhibition by Queen Anne drills at the Federal Inspection.

Silver Sabers

Membership in the Silver Sabers is limited to the cadet officers and sponsors. Ted Jaeger, president, Bill Dietsch, vice-president, and Gwen Engstad, secretary presided over the meetings which were held in the homes of the members. The organization worked hard to make the Military Ball, the main event of the year, a success. These people are largely responsible for the showing of the battalion at the Federal Inspection at the end of the year.

Non-Coms

The officers of next year's battalion are members of the Non-Commissioned Officers Club this year. Joe Schultz, president, Bill Rifenbery, vice-president, Jerry Sinclair, secretary-treasurer, and Bill Hucker, sergeant of arms, were elected to lead the group in their activities. The club sponsored an ice skating party and was very helpful in planning and decorating for the Military Ball.

Rifle Team

This year's Rifle Team fired a number of shoulder to shoulder matches both at home and away, together with various postal matches. Their record is good, placing 82 in a group of 208 teams in the Hearst Trophy Match, 38th out of 120 in the 5th Army Intercollegiate Match. They were also selected to compete in the National Intercollegiate Interscholastic Rifle Match. High scoring men were Jerry Sinclair, Frank Brinckerhoff, Alan Sorenson and John Love, each of whom received a trophy. Without the untiring efforts of the team coach, Sgt. Joe Knight, the team could never have done so well.

Federal Inspection

The Annual Federal Inspection, held on May 2nd and 3rd, was conducted by Lt. Col. Hatsel L. Harris and Capt. William J. Plumhof of the Fifth Army Headquarters in Chicago. The formal review got underway at 9:15 a.m., led by the Beloit High School Band and followed by the 120 cadets who paraded the full length of the field, saluting as they passed the inspection party. In the afternoon they examined the training of the units by the classes. The sophomore group was tested for their knowledge in first aid and the use of the M-1 rifle; the junior group for mechanical training in the use of the Browning automatic rifle and map reading; and the senior group for marksmanship and sound problems in the attack. On the whole, the unit made a very favorable impression on the inspection team.

"Take me out to the ball game."

Bowling, which lasted until December, was the first activity on the girls' sports agenda. Volleyball followed with forty girls of various teams playing once a week. Gloria Olson, head of volleyball, conducted the nicely organized tournament.

G.A.A. just wouldn't be G.A.A. without some sort of interruption, and basketball certainly had its share. If it wasn't a faculty meeting, it was a leaky roof or a missing net on a basket so the tournament ended with everyone playing just for fun.

In the spring, a young man's fancy may turn to thoughts of love, but G.A.A. girls think of two things—golf and tennis. The golfers began by learning the fundamentals inside the gym and as they progressed, tried their luck on the real McCoy. Tennis operated in much the same manner. Miss Foss helped the girls with the basic rules of play, and then—out to the courts!

G.A.A. activities began in September with bowling which lasted until Christmas vacation. Thirty girls signed up to participate in this sport and maintained quite a regular attendance record. Rain or shine, the girls were at the Gateway Alleys every Tuesday ready to start at 4:00 p.m. Barbara Alcott's team took top honors, leading the other teams for most of the season and being defeated only a few times. Her teammates were Ruby Harding, Loretta Markley and Darlene Marti. Others on the high average list were Lois Green, 113; Gerry Pann, 110; and Rose Mary Nelson, 110.

The varsity football team won seven out of eight games and placed second in the Big 8 Conference. A 13 to 7 defeat by Madison East in the first conference game deprived the purple of an undefeated season, and also the conference championship. In spite of this one defeat many of the experts regarded this year's team as good as any ever developed by Beloit High School.

The following returning letter winners from the 1948 championship team were largely responsible for the team's fine spirit, and much of its success: Shelly Bandy, all-conference half-back and leading scorer Gene Knutson, all-conference end; Fred Dennis, John Hoskins, Kent Smith, Don McClellan, Dick Dawson, Gene Curtis, Bob Reneau, Tom Kunz, Tom Waller, and Norman Zimmerman.

Shelly Bandy and Gene Knutson repeated this year as all-conference selections. Fred Dennis and John Hoskins also received all conference honors as a guard and tackle respectively. Fred was also chosen by his teammates as their honorary captain. "Knute" received the out-

standing distinction of being placed on the all-state team, and was one of two players in our state to receive honorable mention on the all National prep eleven. Shelly became one of the leading scorers in Beloit High School history by scoring 9 touchdowns for two successive years. Donnie McClellan established an all time Big 8 record by scoring a total of 39 points after touchdowns in three years of competition. Other players who rate with the best in the conference and deserve special mention for their outstanding work are Kent Smith, Dick Dawson, and Leon Bandy.

The following were awarded major letters:

Capt. Beloit 14, Fond du Lac 6

Beloit high school gained revenge for a previous defeat in its initial game by downing a hard fighting crew from Fond du Lac 14 to 6. The Purple scored their first marker midway through the first quarter on a seventy yard march. Shelvy Bandy went over for the first T.D., and McClellan's conversion was perfect.

Beloit's second score came in the third quarter on a 65 yard march, highlighted by a 23 yard pass from Dick Dawson to Gene Knutson. Leon Bandy went over from the one and McClellan's kick was again good.

Fond du Lac's lone score came in the fourth quarter when Thiel went over from the three, and the try for extra point was blocked.

In the last few minutes of the encounter the Stateliners began another drive to T. D. land. A Shelvy Bandy run and a Dawson to Knutson pass put the ball on Fondy's 20. On the last play of the game, Dawson tossed a beautiful pass to Knutson, who caught it in the end zone, but as he was out of bounds, the pass was incomplete.

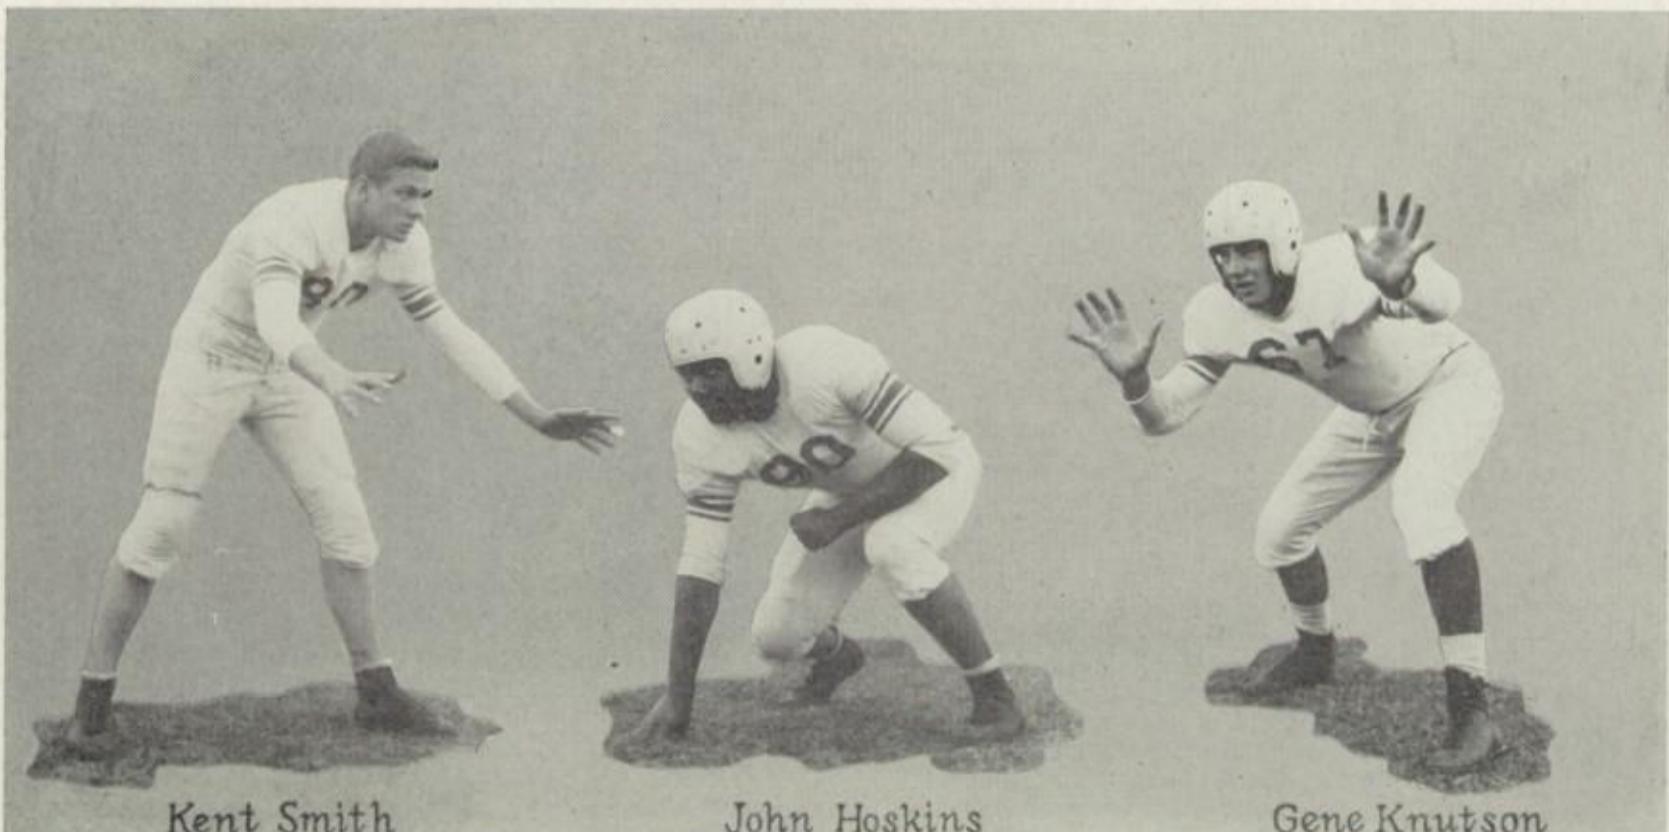

Madison East 13, Beloit 7

Beloit was defeated for the first time in two years in the Big Eight Conference by a hard charging Madison East team, 13 to 7. It was a case of the Purple not being psychologically "up" for a highly keyed Purgolder opponent. The defeat turned out to be the only loss for Beloit during the season, and denied them the outstanding distinction of being conference champions three years in a row.

East scored its initial marker late in the second quarter on a 50 yard march, with Gulseth passing to Peterson for the score, and also converting on the extra point. Gulseth also intercepted a Beloit pass in the fourth quarter, and raced 36 yards to pay dirt. The try for the extra point was blocked by Jack Helm.

Beloit came to life after receiving the next kick-off and reeled off five straight first downs to put the ball on the five-yard line. Dawson then pitched a perfect strike to Gene Knutson for a score. McClellan's conversion was perfect and the game ended a few plays later.

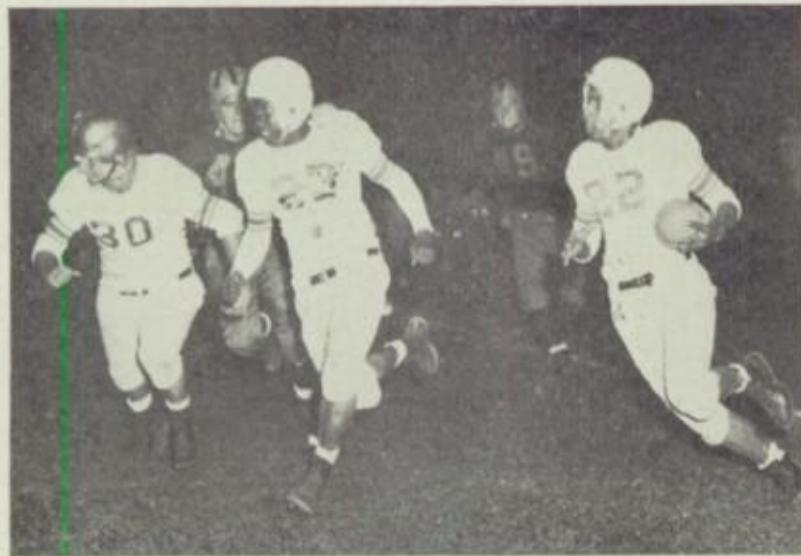

East went on to win its remaining games and also the conference championship.

Beloit 34, Kenosha 13

A hard fighting Beloit team which would never say die won a well earned victory at Kenosha, 34 to 13. Kenosha started off the scoring festivities by making two touchdowns. Beloit scored when Leon Bandy raced ten yards to pay dirt and McClellan's conversion made the half-time score 13-7.

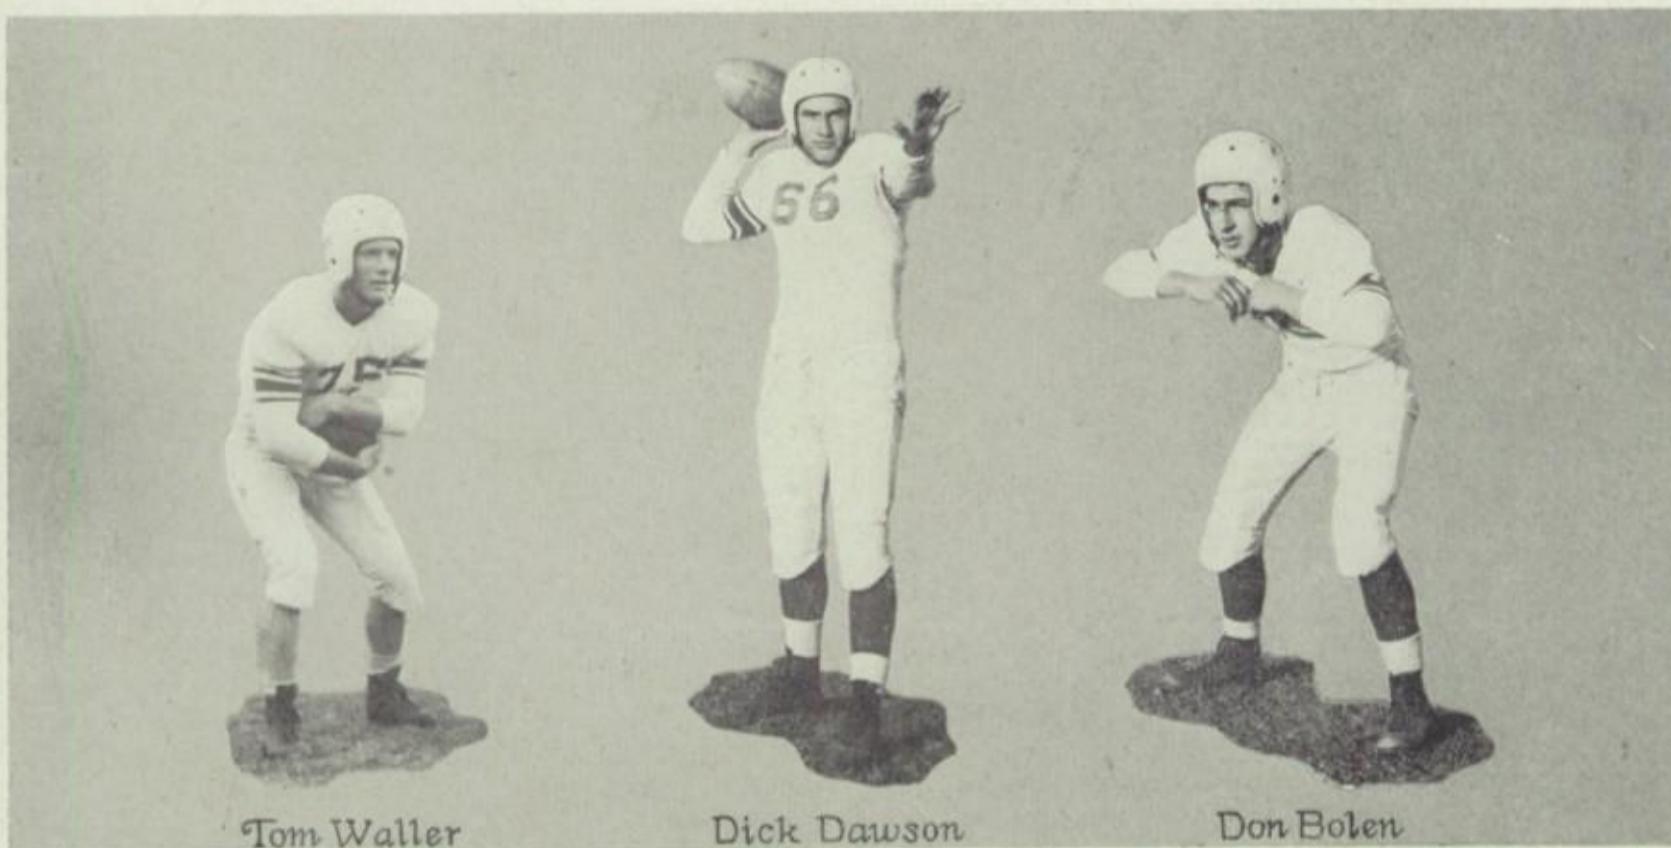

Beloit took the opening kick off for the second half and marched straight up the field for another score with Shelvy Bandy going over for the T.D. and McClellan's kick was good.

Beloit's third marker came on a 56 yard drive which was capped on a ten yard pass from Dawson to Knutson, and McClellan's kick was good. Ralph Walsh recovered a Kenosha fumble on their 30, and Shelvy Bandy set up the T.D. on a 28 yard sprint, and Dawson went over for pay dirt. Dawson intercepted a Kenosha pass, and a few plays later McClellan scored from the 4 and kicked the extra point.

Beloit 21, Madison Central 7

In a well played, thrilling game, the purple clad warriors were victorious over a dogged Madison Central team. Beloit's first marker came in the initial period on a 30 yard drive with Shelvy Bandy streaking across the goal line, and Don McClellan's kick was good. Central came fighting back scoring on a pass from Connor to Bently, and the P.A.T. was good making the score 7 to 7 at half-time.

The Purple's second marker came midway in the third period on a 54 yard charge, Shelvy Bandy raced the final 3 yards to pay dirt and McClellan's kick made the score 14 to 7. Beloit's final score was set up on an amazing pass reception by Gene Knutson on a pass from Dick Dawson, which placed the ball on Central's 23. A few plays later Dawson tossed another pass to Knutson for a T.D. McClellan's kick was good.

Beloit 20, Racine Horlick 6

Beloit high won a hard fought grid contest from Racine Horlick 20 to 6. Horlick drew first blood when a Purple fumble was recovered in the Beloit end zone by Horlick; Gene Curtis blocked the try for extra point. Beloit came back right away when Shelvy Bandy raced 69 yards to score; McClellan's vital P.A.T. was perfect, putting Beloit in the lead 7-6.

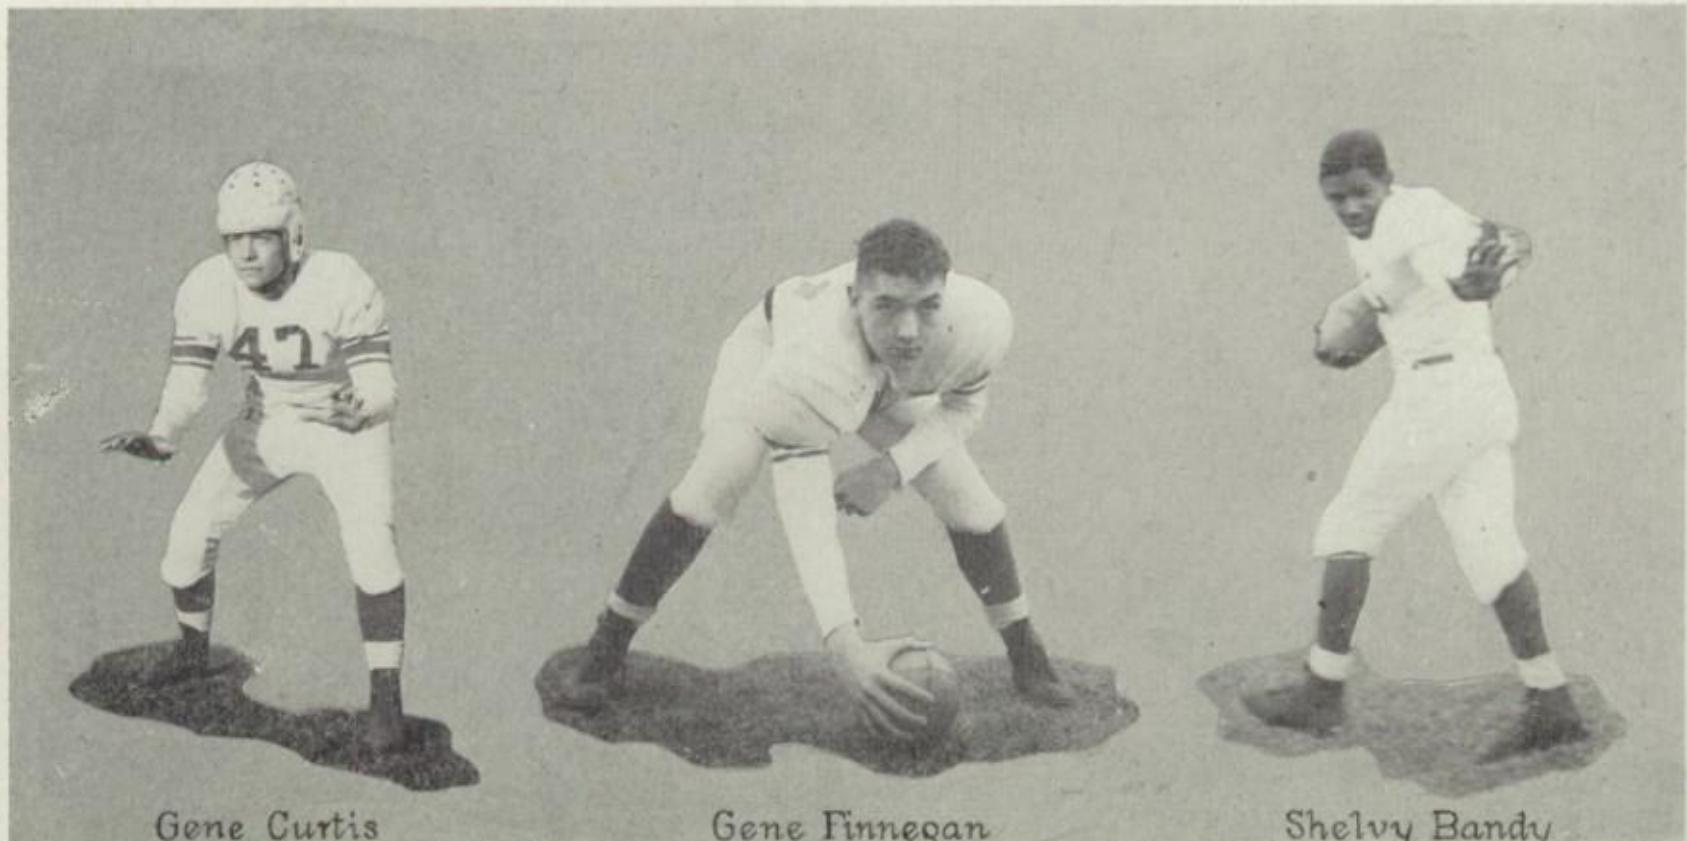

The Purple almost scored in the third quarter after Jack Helm blocked a Horlick punt, but a fumble ended the threat. Beloit's second marker came in the fourth quarter on a 42 yard drive on hard running by Shelvy and Leon Bandy and Dick Dawson; Dawson scored from the five. Beloit's last touchdown came when Tarzan Honor circled his own left end. McClellan's kick was perfect.

Beloit 26, Racine Park 13

Beloit high school overwhelmed a very rugged crew from Racine Park on a rain soaked field 26 to 13. Beloit drew first blood in the second quarter racing 65 yards with Leon Bandy going the last six yards; McClellan's kick was good. The Purple counted again in a few minutes marching 90 yards in nine plays with Leon Bandy scoring again, this time from the nine yard stripe. Vic Sadlon took the kickoff and raced 80 yards to pay; the half ended a few minutes later with Beloit 13 and Park 7.

Beloit gained another score when Bob Reneau raced 22 yards after a Park punt went out of bounds on Park's 30; McClellan's kick was good. It took Beloit five plays to earn its last score with Tarzan Honor racing 45 yards for a T.D. In the waning minutes of the encounter Park pushed over another marker.

Beloit 21, Madison West 0

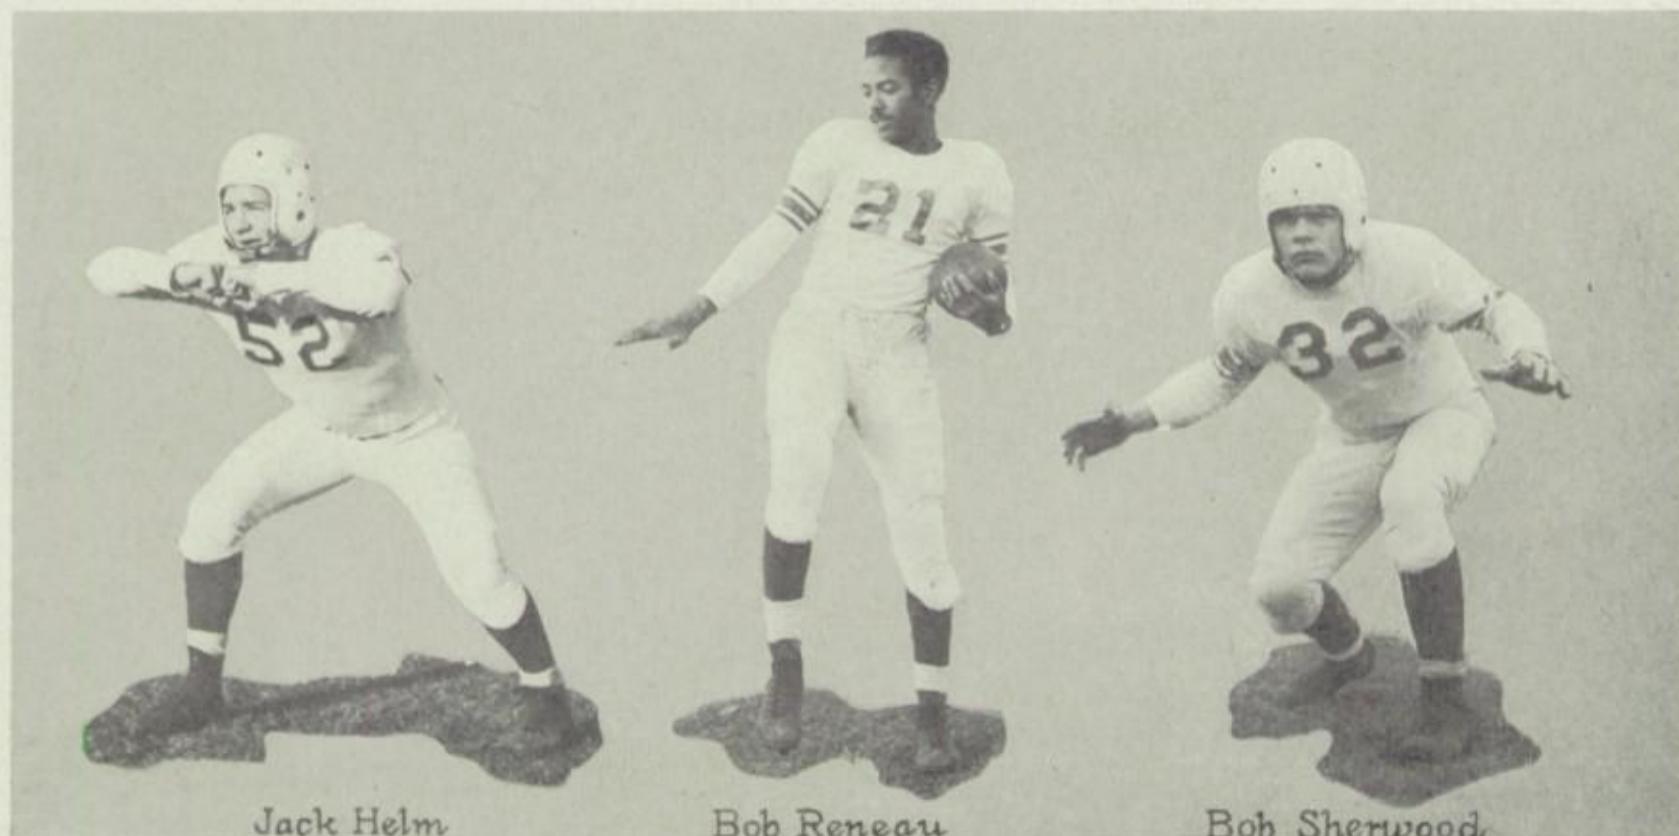

Coach Carl Nelson's stateline gridsters triumphed over an inspired team from Madison West in a well played game, 21 to 0. Early in the first quarter Kent Smith recovered a West fumble on the Regent's 29. A few plays later Beloit rung up a marker as Gene Knutson made a sensational catch of Dick Dawson's pass. McClellan's conversion was perfect. The Purple counted again a few minutes later when Don Bolen blocked a Regent punt and J. D. Hoskins pounced on the ball on West's 17. Shelly Bandy raced to the eight where Leon Bandy scampered the remaining yards to pay dirt, and McClellan's kick made the score 14 to 0.

The next two periods were scoreless, but West was stopped on the Purple two by a determined goal line stand in the third. The final tally of the encounter was racked up by Shelly Bandy when he went 59 yards off tackle. Again McClellan's conversion was perfect.

Beloit 28, Janesville 0

A highly spirited Beloit football team overwhelmed its traditional rival, Janesville, 28 to 0, with Shelly Bandy leading the way. Early in the first quarter Beloit's Shelly got the ball rolling as he scampered 71 yards to pay dirt. Fred Dennis, substituting for the injured Don McClellan, kicked the extra point. Beloit's second score came on a 52 yard march with Shelly Bandy going over from the seven, Dennis's boot made the score 14 to 0. In the second quarter Carl Schuler intercepted a Janesville pass and returned it to the Bluebird 44; a few plays later Shelly raced 31 yards for a T.D., and Dennis made the conversion.

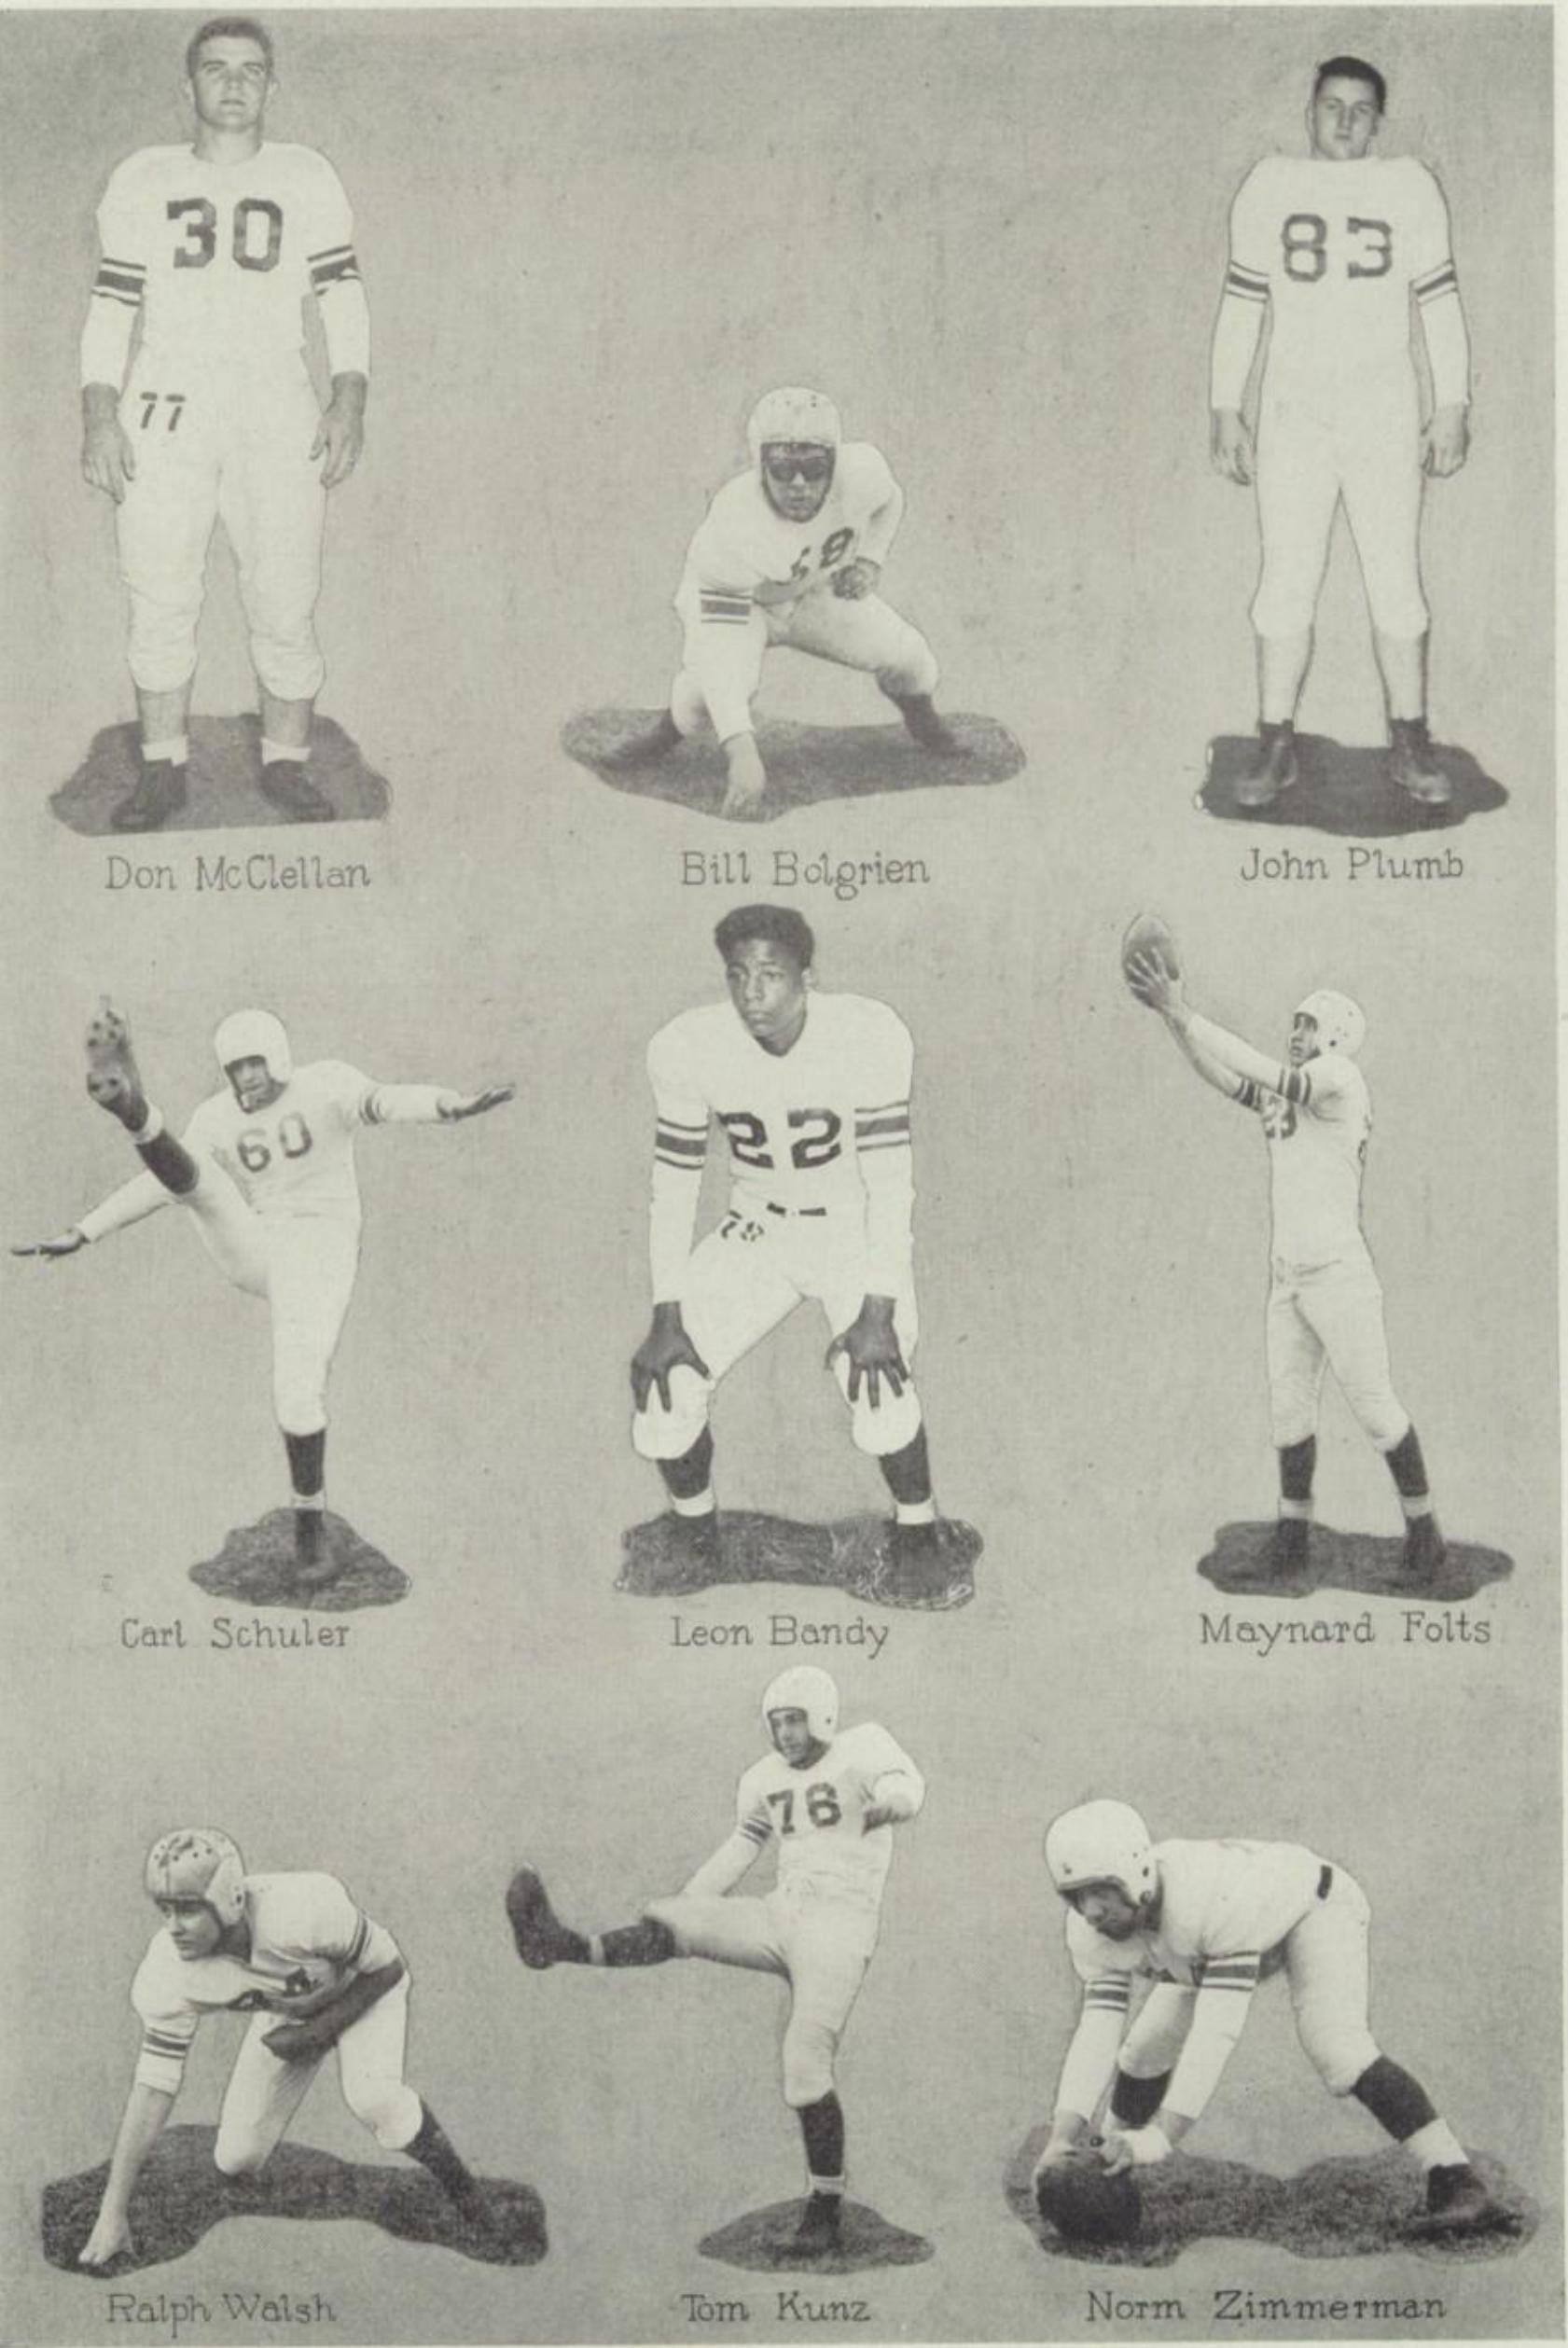

The third quarter was scoreless though a Purple drive was stopped on the Janesville three. In the dying minutes of the encounter, Shelly Bandy raced eight yards for the Purple's final score; again Fred Dennis's educated toe made the extra point.

Row 4—Weeden, Stewart, Levibn, Bruschi, Lomax, Kline, M. Hanson, Peck, Girard, Renly, Brooks, Molique, Gunz, Haberle, J. Hansen.

The sophomores under the leadership of Coaches Zupsich and Hertenstein climaxed a very successful season by decisively defeating South Beloit on November 1. The regulars didn't see too much action since they were to play in the big game the next night against Janesville Blue Jays. Although the season consisted of only five games, the soph team played an important part in the successful Junior Varsity season, playing in all the games. Terry Polaski, captain and quarterback of the soph team, was used on Junior Varsity and Varsity squad.

Season's record:

- Sept. 23—Beloit 6, Rockford West Soph 6
- Oct. 1—Beloit 40, Freeport Soph 6
- Oct. 7—Beloit 19, Rockford West Soph. 32
- Oct. 21—Beloit 25, Evansville Varsity 13
- Nov. 1—Beloit 26, South Beloit Varsity 19

The only team to defeat the sophomores was Rockford West, who won the Big Eight (Illinois) soph title, and was undefeated. A bad third quarter at Rockford defeated Beloit, who rallied strongly in the last quarter. At Evansville's homecoming Beloit played their best game. The win was accomplished in spite of terrific penalties and three touchdowns called back.

In the South Beloit game, Beloit led 20-0 at the half. The reserves played most of the second half since the soph regulars were to play Janesville the next night.

No one boy was responsible for the sophomore success. Several outstanding backs and powerful linemen were developed and will give future account on the varsity.

The sophomore reserves played a 4 game schedule defeating Lincoln once and Roosevelt Junior High twice. In the last game, handicapped by injuries and shortage of backfield, the reserves bowed to Lincoln.

Coach Bob Rensberger's harriers gave an excellent showing of themselves this season. With only four returning lettermen, Skelly, Laws, Klingbeil and Swanson, Coach Rensberger molded a potent squad.

The initial meet of the year was at Janesville against Janesville and Madison West. Madison West barely nosed out Beloit in the "A" class; Jack Skelly and Jack Quinn paced the "A" team by placing second and third, respectively. The "B" team walked off with the honors in its class. Next week the purple harriers again journeyed to Janesville, this time they were opposed by Janesville, Racine Park, and Kenosha. The "A" class placed second behind Racine Park, and the "B" class was again victorious over the field, capturing five of the first nine places.

The harriers next meet was the Madison West Invitational, where Beloit was opposed by four other schools. The "A" class lead by Jack Skelly, Jack Quinn and Joe Laws placed second behind a strong Wauwatosa team. The "B" class made a perfect score of

fifteen, lead by Phil Hendrickson and John Goomas, and easily walked off with first place honors. The Purple cross country crew made a good showing at the Midwest Invitational Meet at Janesville placing fifth out of twenty schools. Jack Skelly, Joe Laws and Jack Quinn lead the harriers, placing tenth, eleventh, and thirteenth, respectively. Beloit placed second in the Big Eight meet at Racine Park, Jack Skelly placing second behind Beth of Park to pace the Purple. The "B" class finished second to Janesville, and this was the first time that the "B" class team failed to win a meet. The final meet was the State meet at Grant Park. Out of 110 runners Jack Skelly placed sixth, and the squad placed fifth out of fifteen schools.

Major letters were awarded to Jack Skelly, elected team captain at the end of the season, Jack Quinn, Joe Laws, Martin Kades and Bob Klingbeil. Minor letters were awarded to Harold Swanson, Phil Hendrickson, Barney Neahaus, John Fresley, Nick Pappas, John Goomas, Keith Martin and Don Toedt.

Varsity Basket Ball

McMillan, Allen, Merchant, Hansen, Fawcett, Smith, Knutson, Parker, Pantaleo, Toedt, Andrews, Shepherd, Schuler.

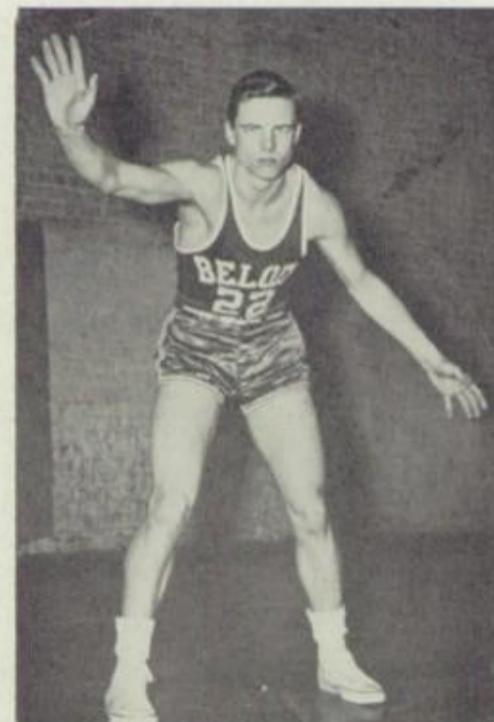

Beloit enjoyed a very successful basketball season this year. After getting off to a slow start by winning only five of the first twelve games, the team caught fire and won thirteen of the remaining fifteen games, for a season's total of eighteen victories and nine defeats. Beloit, by winning nine of fourteen conference games, tied with Madison East and Kenosha for second place in the Big Eight Conference.

The Purple reached its climax in tournament play, winning the regional and sectional championships to reach the state tournament in Madison. The Stateliners' first opponent was Wauwatosa, the tournament favorite, and by playing the best game of the season, the Purple did away with Tosa 61-51. The Stateliners' next foe was Eau Claire, who defeated Beloit in the last two seconds of the encounter 54-53. Kent Smith, Gene Knutson, and Irv Shepherd were voted to many all state teams. At the end of the season Smith and Knutson were voted co-captains, and Irv Shepherd was voted the most valuable player. Carl Schuler was the winner of the B Club free throw medal, by making good twenty-three of thirty-nine attempts for a sharp 59%. Each one of the starting five players had a shooting average of .300 or better. Pete Pantaleo had the highest average with a keen .345.

Not enough praise can be showered on Coach Bob Rensberger, who molded such a strong team. The team started off slowly, but at the middle of the season they caught fire and won twelve of their remaining fourteen games. Included in this phenomenal record was a winning streak of nine games, which was abruptly halted by Eau Claire. Besides teaching his charges an excellent brand of basketball, Coach Rensberger taught his quintet to be well mannered gentlemen on the floor. Never did one of the Purple cagers lose his temper in any game no matter how trying were the circumstances. In fact, of all the Big Eight Conference schools, Beloit had the outstanding record in sportsmanship.

The outstanding characteristic of this year's team was the desire to win. Without the fine spirit that prevailed, Beloit couldn't have won the regional and sectional tournaments, and placed so well in the State tournament.

Next year's cage squad will lose the services of Kent Smith and Leonard Parker, centers; Irv Shepherd and Gene Knutson, forwards; and Pete Pantaleo, guard. Without a doubt these losses will be greatly felt. However, next year's team will have a backbone of five juniors who won major letters, three juniors who won minor letters, and Coach Ken Curiel's fine sophomores, who compiled such a fine record this year.

IRV SHEPHERD
Most Valuable

SEASON'S RECORD

Beloit's initial encounter was against an untested Monroe quintet. The fellows jumped off to a 15-3 first quarter lead, and they were never daunted from piling up a final score of 52-27. The scoring was pretty well divided with Kent Smith's fourteen points being high.

Beloit romped to an easy 61-28 victory over Madison, with Kent Smith and Gene Knutson doing an excellent job of controlling the backboards. Kent Smith was the "big wheel" in the purple onslaught hooping 25 points.

Irv Shepherd's last minute goal was the deciding marker as Beloit downed Sterling 32-30 in an exciting game. Beloit was on the long end of the 17-10 halftime score; but Sterling knotted the score at 28 all as the game ended. Kent Smith and Gene Knutson were high point men with fourteen and nine points, respectively.

The Purple cagers met their first defeat at the hands of a hard playing Racine Park quintet 36-34. The Parkmen leaped off to a commanding lead of 16-4 at the end of the first quarter; and this was too much for the valiant Purple charges, who staged a terrific comeback which wasn't enough.

Playing excellent ball in the first half Beloit piled up a 22-13 lead over its traditional rival, Janesville; but this wasn't enough as the Bluebirds came charging back to tie the score 31 all at the finish of the regular game. Janesville proceeded to outscore the Beloit cagers four to two in the overtime; Kent Smith was high point man with thirteen points.

Beloit lost a thrilling encounter to the Clinton, Iowa, "River Kings" 41-38. Beloit trailed 13-7 at the first period, and Clinton increased this margin to 10 points at halftime. The Stateliners pulled within five points of the "River Kings" as the third quarter ended. A last quarter rally by the Purple fell just three points short of victory; Smith and Knutson looked good for Beloit.

Coach Bob Rensberger brought his charges back into winning ways as they defeated a strong Kenosha team 46-36. A big rally in the second quarter put the Stateliners in a commanding lead. Gene Knutson and Kent Smith led the Purple with eighteen points apiece.

Beloit defeated Racine Horlick in a well played and viciously fought contest 43-36. Horlick led all the first half by two or three points, and held a 19-17 lead at half time. The Purple piled up a 38-28 third period advantage, which was the determining factor in the contest.

Beloit bowed to a strong Madison East five 42-30 in an exciting game of basketball. East held a 12-5 lead at the end of the first quarter, and held on to this margin throughout the contest. Beloit staged a rally in the last quarter, but it fell short; East was greatly aided when big Gene Knutson fouled out in the fourth quarter.

Wauwatosa, which was rated second in the state, found Beloit no easy prey eking out a 45-38 victory. The Stateliners were greatly hurt in the second half when Gene Knutson fouled out, Knut had done a good job of holding down Matthiss, who later broke loose for a bushel basket of points, which turned the tide in favor of Tosa. Gene Knutson and Kent Smith led the scoring parade with thirteen points each.

Madison West managed to squeeze out a 28-24 victory over the Beloit charges in a very slow and tedious game. The Purple held on to a slight lead at halftime, but the Regents staged a rally in the last half, which netted them victory.

Beloit found "the winning way" against Madison Central and kept on the bright side of the score for the remainder of the season. Led by Kent Smith, who hooped twenty-two points, and Gene Knutson, who did yeoman rebounding service, the Purple charges tripped Madison Central 48-42.

Last minutes points by Gene Knutson and Irv Shepherd were the deciding factor as Beloit downed Rockford East 39-35. Kent Smith, Irv Shepherd and Gene Knutson bore the brunt of the Purple offensive by meshing ten points apiece.

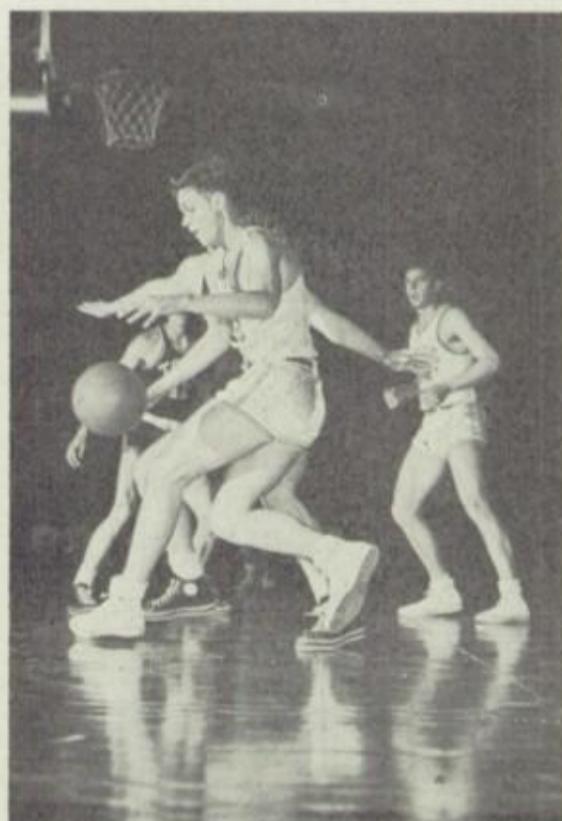

The Stateline quintet completely outplayed the Racine Park five, downing them 49-27. The Purple were on the short end of the 8-7 first quarter score, but a second quarter rally sparked by Kent Smith put Beloit in a commanding 18-10 lead. The second half was strictly Beloit and more Beloit. Smith and Shepherd led the team in scoring column with eighteen points and twelve points respectively.

Janesville completely out-maneuvered the Stateline five, trouncing them 61-37. Gene Knutson was the only bright spot in the Beloit lineup swishing thirteen points. Janesville jumped to an early 20-7 first quarter lead, and kept the torrid pace up till the final whistle.

Starting the first varsity game in his life Carl Schuler paced Bob Rensberger's quintet to an impressive 52-43 victory over Kenosha, by meshing 22 points. Schuler was greatly aided by Pete Pantaleo, who meshed five of his beautiful long high arching shots. The Purple charges held a 32-18 halftime lead, and coasted the rest of the way. Irv Shepherd gave the crowd a last minute thrill as he meshed a long shot from the middle of the floor with a few seconds remaining in the game.

Coach Bob Rensberger's five gave a good account of themselves as they triumphed over Racine Horlick 38-33. The State-liners jumped off to a deciding 15-6 lead, and held onto the lead all the way to rack the Purple's eighth conference victory. Irv Shepherd, who meshed three out of four long shots, and Kent Smith were the big guns in Beloit's attack netting eleven and twelve points, respectively.

With Kent Smith and Gene Knutson commanding the back-boards, the purple clad basketeers trimmed Madison West 39-35. Beloit proved themselves very sharp from the free throw line sinking nineteen out of twenty-six charity tosses. Irv Shepherd and Kent Smith hooped eleven points each to head the Purple offensive.

REGIONAL TOURNAMENT

Beloit opened its bid for the state championship by outclassing Wilmot 38-17. Sparked by Irv Shepherd, who meshed two of his deadly long shots, the Stateliners jumped off to a 13-1 quarter lead. Coach Rensberger allowed his second stringers to play most of the last half in order to keep the game from turning into a farce. The scoring was well divided. "Bing" Shepherd meshed nine, and Carl Schuler and Kent Smith each netted eight points to spark the Purple.

Beloit had an easy time trimming Whitewater 47-24; the Purple sprang to a 13-5 first quarter lead, and from then on the game was never in doubt. Len Parker gave the crowd a thrill as he sunk two beautiful short hook shots. Coach Rensberger again cleared the bench, and all ten players saw much action. Kent Smith, who swished eleven, Irv Shepherd with nine, and Pete Pantaleo with eight points were the big guns offensively.

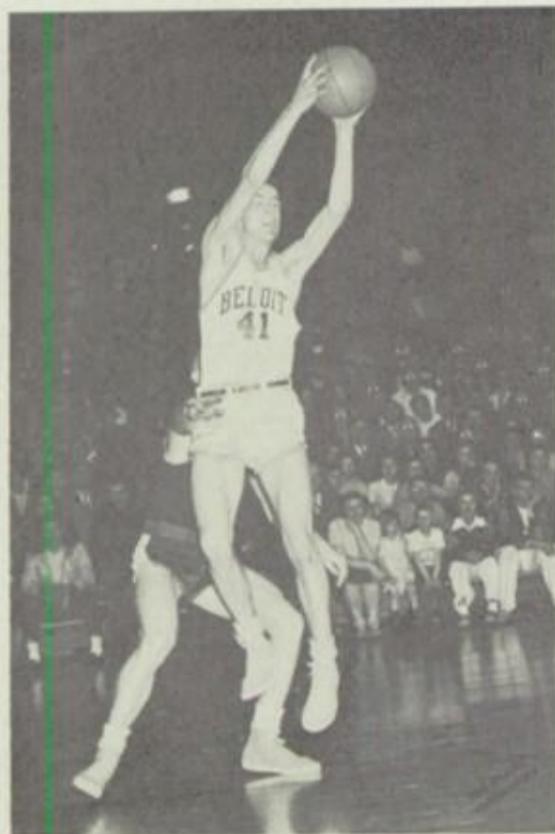

Meeting with stiffer competition the Stateline five triumphed over a dogged five from Elkhorn 49-32. Excellent rebounding was the deciding factor in this encounter; Beloit grabbed a 10-6 quarter lead and gradually increased it to the victory margin. Carl Schuler, who meshed five buckets and six charity tosses, and Kent Smith, who poured fourteen points through the hoop, led the Purple offensive.

SECTIONAL TOURNAMENT

Beloit high school got off to a flying start as they defeated a determined crew from diminutive Cobb 57-42. Beloit started off slowly being able to play the Cobbsters on even terms with the score being eight all at quarter time. The Stateliners began to pull away from Cobb in the second quarter as they outscored them 15-8. A third quarter rally sparked by Irv Shepherd and Kent Smith put the Purple quintet in a commanding 44-24 lead. Coach Bob Rensberger cleared the bench in the last period as the Purple coasted to a 57-42 victory. Big hoopsters for the Stateline five were Kent Smith, who netted thirteen points, and Irv Shepherd and Carl Schuler, who each scored eleven points.

Completely outplaying Mount Horeb in third period proved to be the determining factor as Beloit tipped them 49-42. The first quarter found the Stateliners holding on to a slim 14-12 lead; at halftime this meager lead melted to a 27 all tie. Beloit completely outplayed the Mount Horeb quintet in the third quarter, outscoring them 12-5 and in the last quarter the two teams played on even terms. Much credit for this victory must go to Russ Hanson, who did an excellent job filling in for Carl Schuler, because the latter fouled out. Kent Smith, who meshed six buckets and two charity tosses, Pete Pantaleo and Irv Shepherd, who hooped 10 points, and Gene Knutson's eight points were the bright spots in the Stateline attack.

STATE TOURNAMENT

Beloit vs. Wauwatosa

Coach Bob Rensberger's charges playing their best game of the season fooled the so-called experts and most everyone; and gained revenge for a previous defeat at Wauwatosa's hands, by trouncing the "Red Raiders" 61-51. Tosa started the game with a burst of speed holding a 21-15 lead at the end of the first period; the Stateliners came fighting back in the second quarter to cut Tosa's margin to a meek 32-29 lead. Beloit, sparked by Kent Smith and Carl Schuler, completely outplayed Tosa in the third period, and gained a six point lead. The Purple went on to increase their victory margin to 61-51 in the final period. Kent Smith played the best game of his career. Kent was all over the floor meshing hooks, potting short shots and superbly rebounding, to accumulate a total of eleven buckets and six charity tosses. Gene Knutson and Carl Schuler hooped 12 and 11 points to aid Smith offensively.

Gene Knutson did an excellent job of controlling the backboards, and he teamed up with Kent Smith in keeping Tosa's big center Matthias well bottled up. Irv Shepard besides playing an excellent floor game, put on an excellent exhibition of stalling in the last thirty seconds of the battle. Probably no one deserves as much credit for this impressive victory as Coach Bob Rensberger, who must have given his charges a terrific talk at halftime, because they played inspired ball the second half.

Beloit vs. Eau Claire

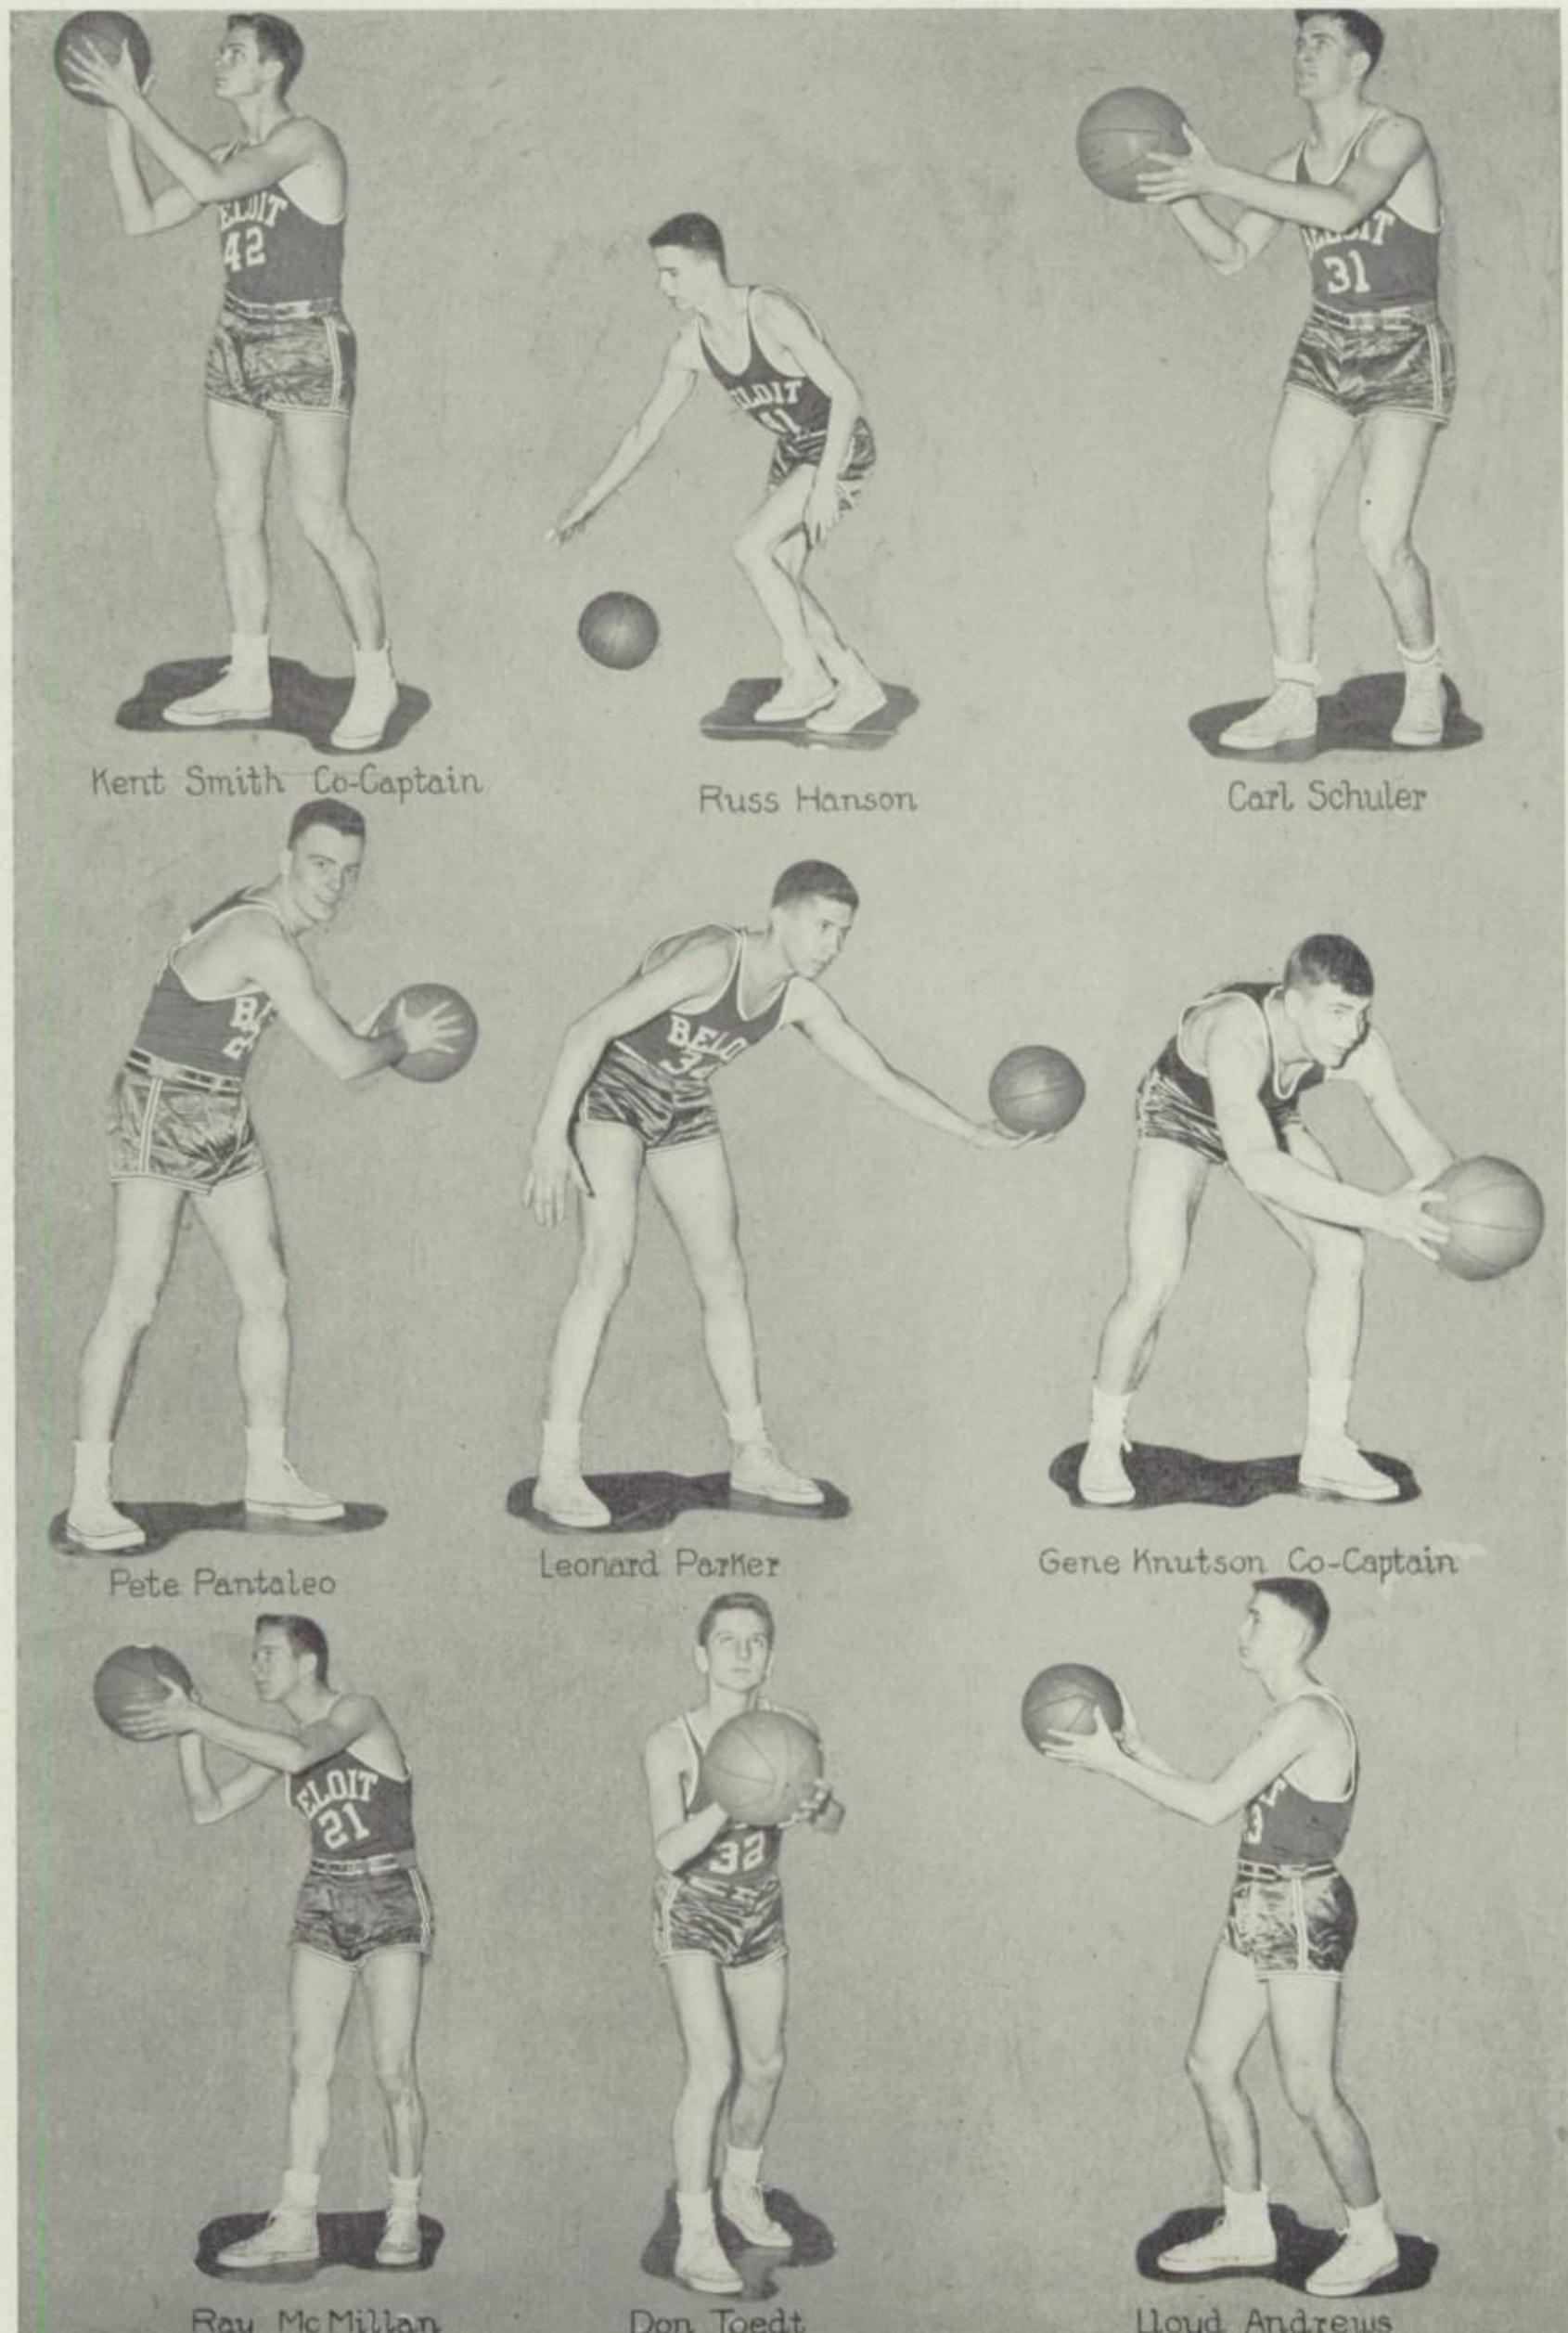

Beloit's hopes for a sixth state championship were sunk into a deep abyss when Eau Claire barely edged out the Purple in a heartbreaking contest for the Stateliners. Eau Claire held a slim 16-14 lead in the first quarter, but the Stateliners tied it up at halftime. The "Old Abes" gained a slim 45-43 lead at the end of the third quarter. The fourth period was most exciting as the lead changed hands four times during the eight minutes of play. In the last minute of play Carl Schuler meshed a long shot which put the Stateline five in a 53-52 lead. Then with two seconds to play Olson dropped in a long shot, which gave Eau Claire its meager 54-53 victory. After Olson dropped in his bucket and the game ended, it was hard for the Beloit cheering section to believe that the Purple had actually lost, but they had. The scoring was very evenly divided; Shepard led the parade with fourteen points, Smith and Schuler each hooped eleven points, and Knutson and Pantaleo accounted for nine and eight points, respectively. Gene Knutson and Kent Smith did an excellent job of rebounding; and Shepard, Schuler, and Pantaleo played excellent floor games. The game was very hard on the fellows as no substitutes were used. Coach Bob Rensberger's charges played excellent ball, but it seemed that the gods of fate favored Eau Claire.

Champions are made not born and proof of this is the 1949-50 sophomore basketball team. Although gaining only second place in the Big Eight sophomore loop anyone who has seen them play will tell you they are champions. Under Coach Ken Currier they defeated such strong teams as Rockford East, Wauwautosa, and this year's sophomore champs, Racine Park, had two defeats, both at the hands of the Purple sophs. The Beloit sophs lost only to such strong teams as Madison East, Sterling and Madison Central.

Coach Currier's 49-50 squad included Terry Polaski, who is considered one of the best all around basketball players in the Big Eight. At the end of the season his fellow team mates elected him as one of their co-captains. Terry also led the team in scoring. Playing opposite Terry at the other forward position was Ray Wichelt. Ray started out as a second string forward, but his ability as a good rebounder as well as a capable defensive player was soon recognized by Coach Ken Currier and was promoted. Guard Paul Grady who along with forward Terry Polaski was voted co-captain, besides being a fine defensive man was second highest scorer on the Stateline squad. Paul's keen ball handling and cool head has been the spark of the Beloit team and earned him the right of being one of the most popular boys on the team. A defensive player is as much a part of a team to its working as the player who scores 25 points a game; and a fine example of this is guard Tom Goulet. Tom isn't the highest scorer on the team, but his fine team work and skillful defensive playing has been a great factor in earning Beloit its many wins.

Another important player on the team is the center and this year Coach Currier has had the honor of having two fine centers of equal ability, J. D. Johnson and Marcus Hansen. J. D. towering 6'2" has helped considerably with rebounding and seems to score when the other players fail to, while Marcus is the keener ball handler and has won many a game on his timely tip in shots. Both boys are a credit to the soph team.

Last but not least we have a man, who must know every man's position, mistakes they make as well as the weakness of the opposing team, a man who is as much a part of the team as the forward or the guard, a man who has done more for the team than any other. That is Coach Ken Currier, who has brought this team through thick and thin. He deserves as much if not more credit as anyone else. He has done a fine job this year and has a team to be proud of.

Wrestling was introduced to Beloit High School on an interscholastic basis for the first time a year ago. During its two years of existence the sport has enjoyed unusual popularity among the boys that go in for the more rugged activities. Perhaps its popularity has been responsible for the enviable record our wrestling teams have accomplished. During this two year period we have been undefeated in dual meet competition. A year ago Beloit won seven dual meets and tied one. This year's team improved this excellent record a bit by winning eight dual meets and tying one. One of these victories was a 27 to 13 victory over last year's state champions from Stevens Point. The team came close to accomplishing the almost impossible achievement of a perfect score of 50 points by defeating Madison East 46 to 0.

Beloit also has the honor of being champions in the first "Big 8" tournament ever held by the conference. The final scores were Beloit 36, Racine Park 28, Racine Horlick 19, Madison East 10, and Madison West 9. The following Beloiters won conference championships: Jim Woodrow, 95 lbs.; Bob Borgerding, 115 lbs.; Fred Dennis, 180 lbs.; and John Hoskins, heavyweight.

In the W.I.A.A. Sectional tournament Beloit placed second to Stevens Point. The following boys won sectional championships: George Ruppert, 135 lbs.; Norman Edwards, 125; Jack Helm, 155; Fred Dennis, 180; and John Hoskins, heavyweight.

The Purple finished third in the state finals for the second time in two years behind Milwaukee South, and Stevens Point. Norman Edwards won the 125 lb. state championship, with George Ruppert and John Hoskins taking second place honors in their weights. Jack Helm was third.

Jack Helm and Fred Dennis were elected co-captains at the close of the season. Both of these boys have been consistent winners for Beloit for the last two years. Jack has a two year record of 24 wins and only 5 defeats. He also has the distinction of losing only to the state champion each year. Fred's record over the same period is 17 victories and 4 defeats. He was undefeated this year; a knee injury sustained in the sectional tournament kept him out of the state finals.

The following were awarded letters: Majors: Co-Captains Fred Dennis and Jack Helm, Bob Borgerding, Tom Carroll, Ronald Curtis, Norman Edwards, Herman Grady, Jim Hopkins, John Hoskins, Danny Rampenthal, George Ruppert, Bob Sherwood, and Jim Woodrow. Minors: Lewis Challoner, Francis Cliffe, Richard Earle, Bob Engebretson, Tom Harris, Dan Huffman, Joe Laws, Dick Loerke, Bill Wagner, and Harry Wong. Managers: Ronald Davis, and Dave Knutson.

Row 1—Johnson, Quinn, Kades, Skelly, Lathers, Shepard, Laws, L. Bandy, S. Bandy, Knutson, Pantaleo, Waller, Swanson, Wolfe, Flueckiger, Honor. Row 2—Coach Nelson, Parker Mgr., Murray, Ferger, Weeden, Bottoms, Kline, Paine, Clark, B. Bradford, L. Bradford, Russell, Wells, Peterson, Molique Mgr. Row 3—Goomas, Woodrow, Dazey, MacIver, Green, Goulet, Polaski, Williams, Van Elverdinghe, O'Neill, Cary, Neabaus, Leorke, Coach Currier, Coach Smith.

Notwithstanding the fact that this year's track team had lost eleven top major letterwinners from last year's state championship outfit; Track Coaches Nelson, Smith and Currier molded a formidable group of thinclads. The team first worked out in the Beloit College field house; and when nicer weather came, practice was held behind the high school, on a makeshift track.

In the initial meet of the season, Beloit placed fourth in the Madison West Relays, out of twenty-six Class A schools, and just missed second place by two points. Shelvy Bandy, who won the low hurdles and ran a leg of the 880 yard relay team which placed second, and Harold Johnson, who won the 60 yard dash and placed fifth in the pole vault, were the high point winners for the Purple. The high hurdle relay and the two-mile teams garnered third and fourth places, respectively.

The Stateliners' next meet was the Rock Valley Invitational at Janesville, which they handily won defeating their closest rival, Janesville by 39 points. Leon Bandy eclipsed Gene Knutson's record in the high hurdles, by traveling over the high timbers in :15.2. Other winners in their events were Shelvy Bandy, Frank Clarke, who set a new soph record in the 440 yard dash with a creditable time of :54.5. Tarzan Honor, Gene Knutson and Joe Laws. Beloit's next victim was Rockford West, who they walloped 87 to 26. Gene Knutson had a field day winning the shot put, placing second in the discus, third in the high hurdles and running a leg of the winning 880 yard relay.

Coach Carl Nelson's thinclads finished second out of fifteen schools in the Rockford East Relays. Beloit's all soph relay team of Honor, Bradford, Johnson, and Clark placed second and third in the 880 and 440 yard relays, respectively; Honor also placed second in the broad jump. Shelvy Bandy won the 100 yard dash and placed second in the low hurdles, right behind brother Leon. Beloit's capable distance runners, Skelly and Laws, showed up well; Skelly won the mile and Laws placed third in the 880 yard run. The high hurdle relay team and the mile relay team placed third and fourth, respectively.

Displaying a well balanced attack the Stateline tracksters defeated Rockford East by a score of 73 to 40. Tarzan Honor set a new sophomore record in the broad jump by leaping twenty-one feet four inches. Shelvy Bandy tied Clarence Gupton's school record in the 200 yard dash with a time of :20.9.

At this writing four important meets lie in front of the Stateline track team; the sectionals, the state meet, the Janesville Relays and the conference meet. The prospects for this year's team seem very bright, and it is hoped that the team will be able to repeat as state champions.

Golf

Row 1—Olson, Ray Martin, Dawson, Moen, Kudlow, Bolstead. Row 2—Scott, Singletary, Coach Rensberger, Ron Martin, Brinckerhoff.

Although the golf season is not half over, Beloit has shown promise of being a contender for the Big Eight Championship and should place high in the State Tournament.

In the matches played to date Beloit won over Freeport in a dual match and won a quadrangular meet with Madison East, Madison Central, and Wisconsin High. Dual meets were lost to Rockford East, Rockford West, and Janesville. In two of the matches lost, Beloit's top four golfers defeated their opponents and in the other defeat tied their opponents. The conference and State Tournaments are played with just four boys from each school.

Beloit will have an advantage in the Big Eight Tournament as it is being held in Beloit.

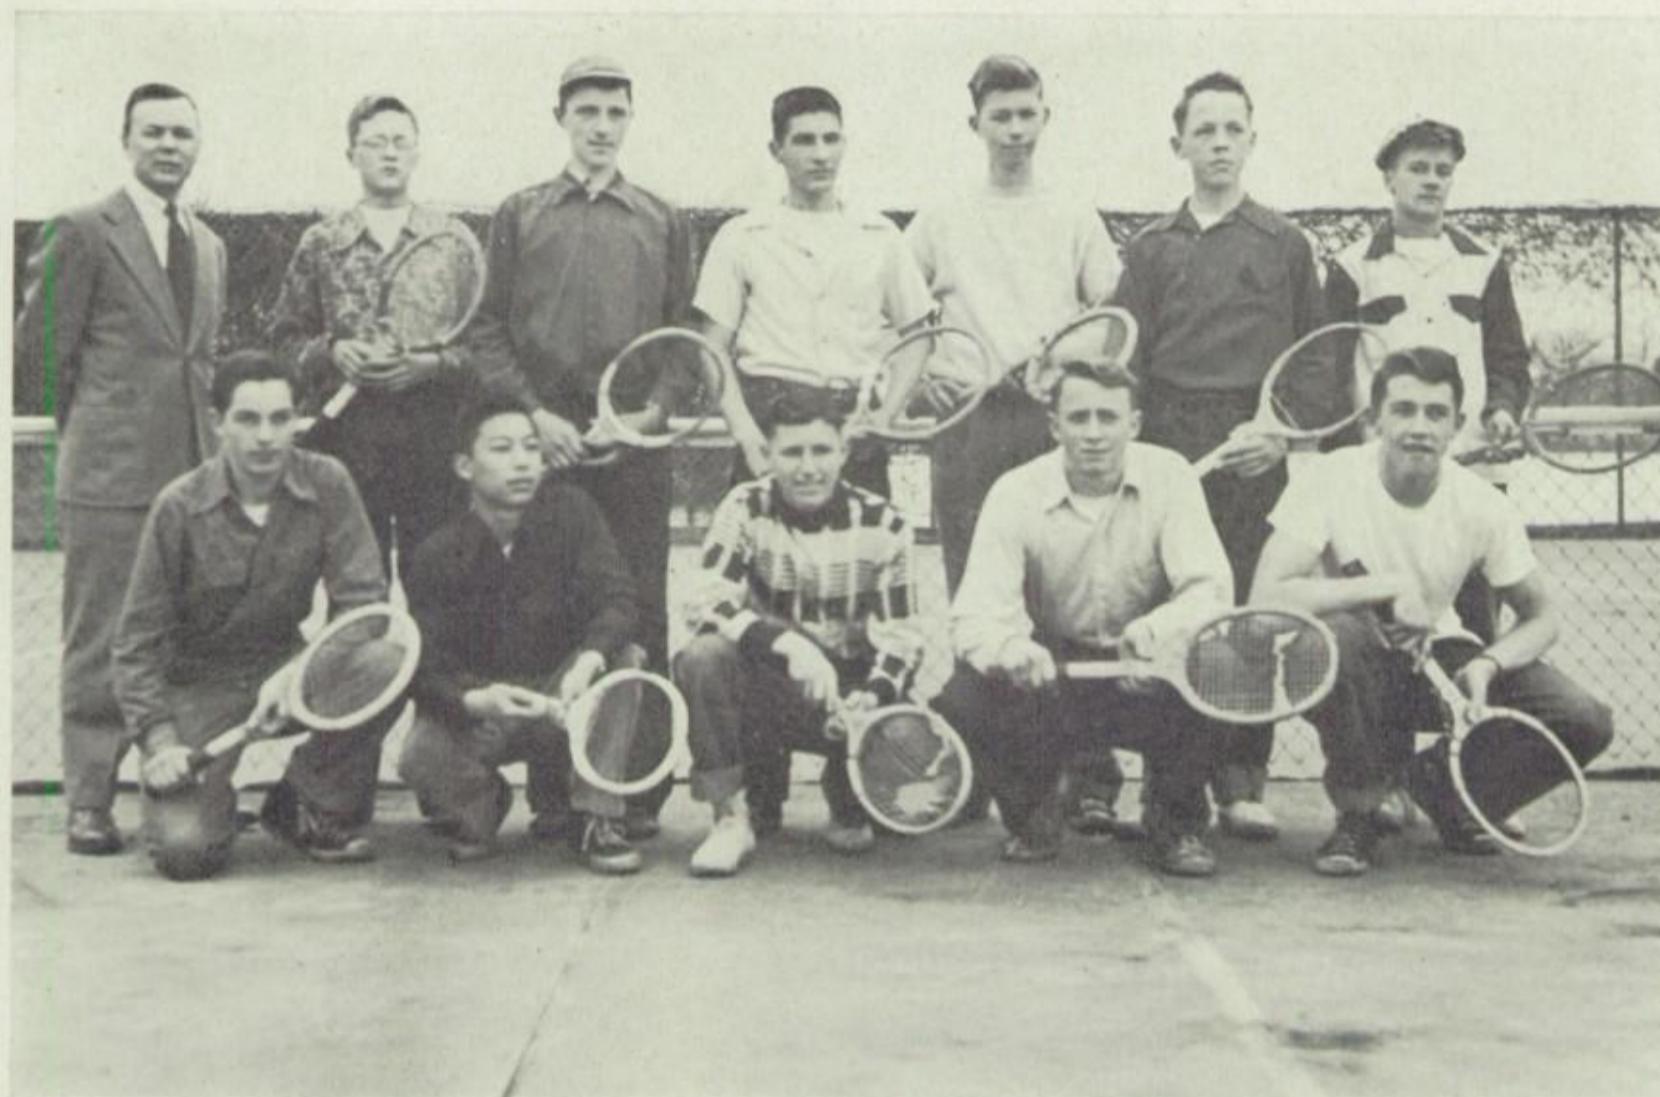

Competition is keen within the squad and at present Dick Dawson and Vern Kuhlow (last years conference medalist) are playing for the number one ranking; Ronnie Moen and Ray Martin for number three; and Jim Bolstad and Ronnie Martin are playing for the number five ranking. Other members of the squad are: Frank Brinckerhoff, Ronnie Upward, Tom Scott, Don Olson, Doug Rindfleisch, Bob Singletary, and Mike Connors.

Remaining Schedule:

May 13—Madison West There
Madison East
Madison Central
May 16—Janesville Here
May 20—Racine Park Here

Racine Horlick
May 24—Rockford East Here
May 27—Conference Here

Tennis

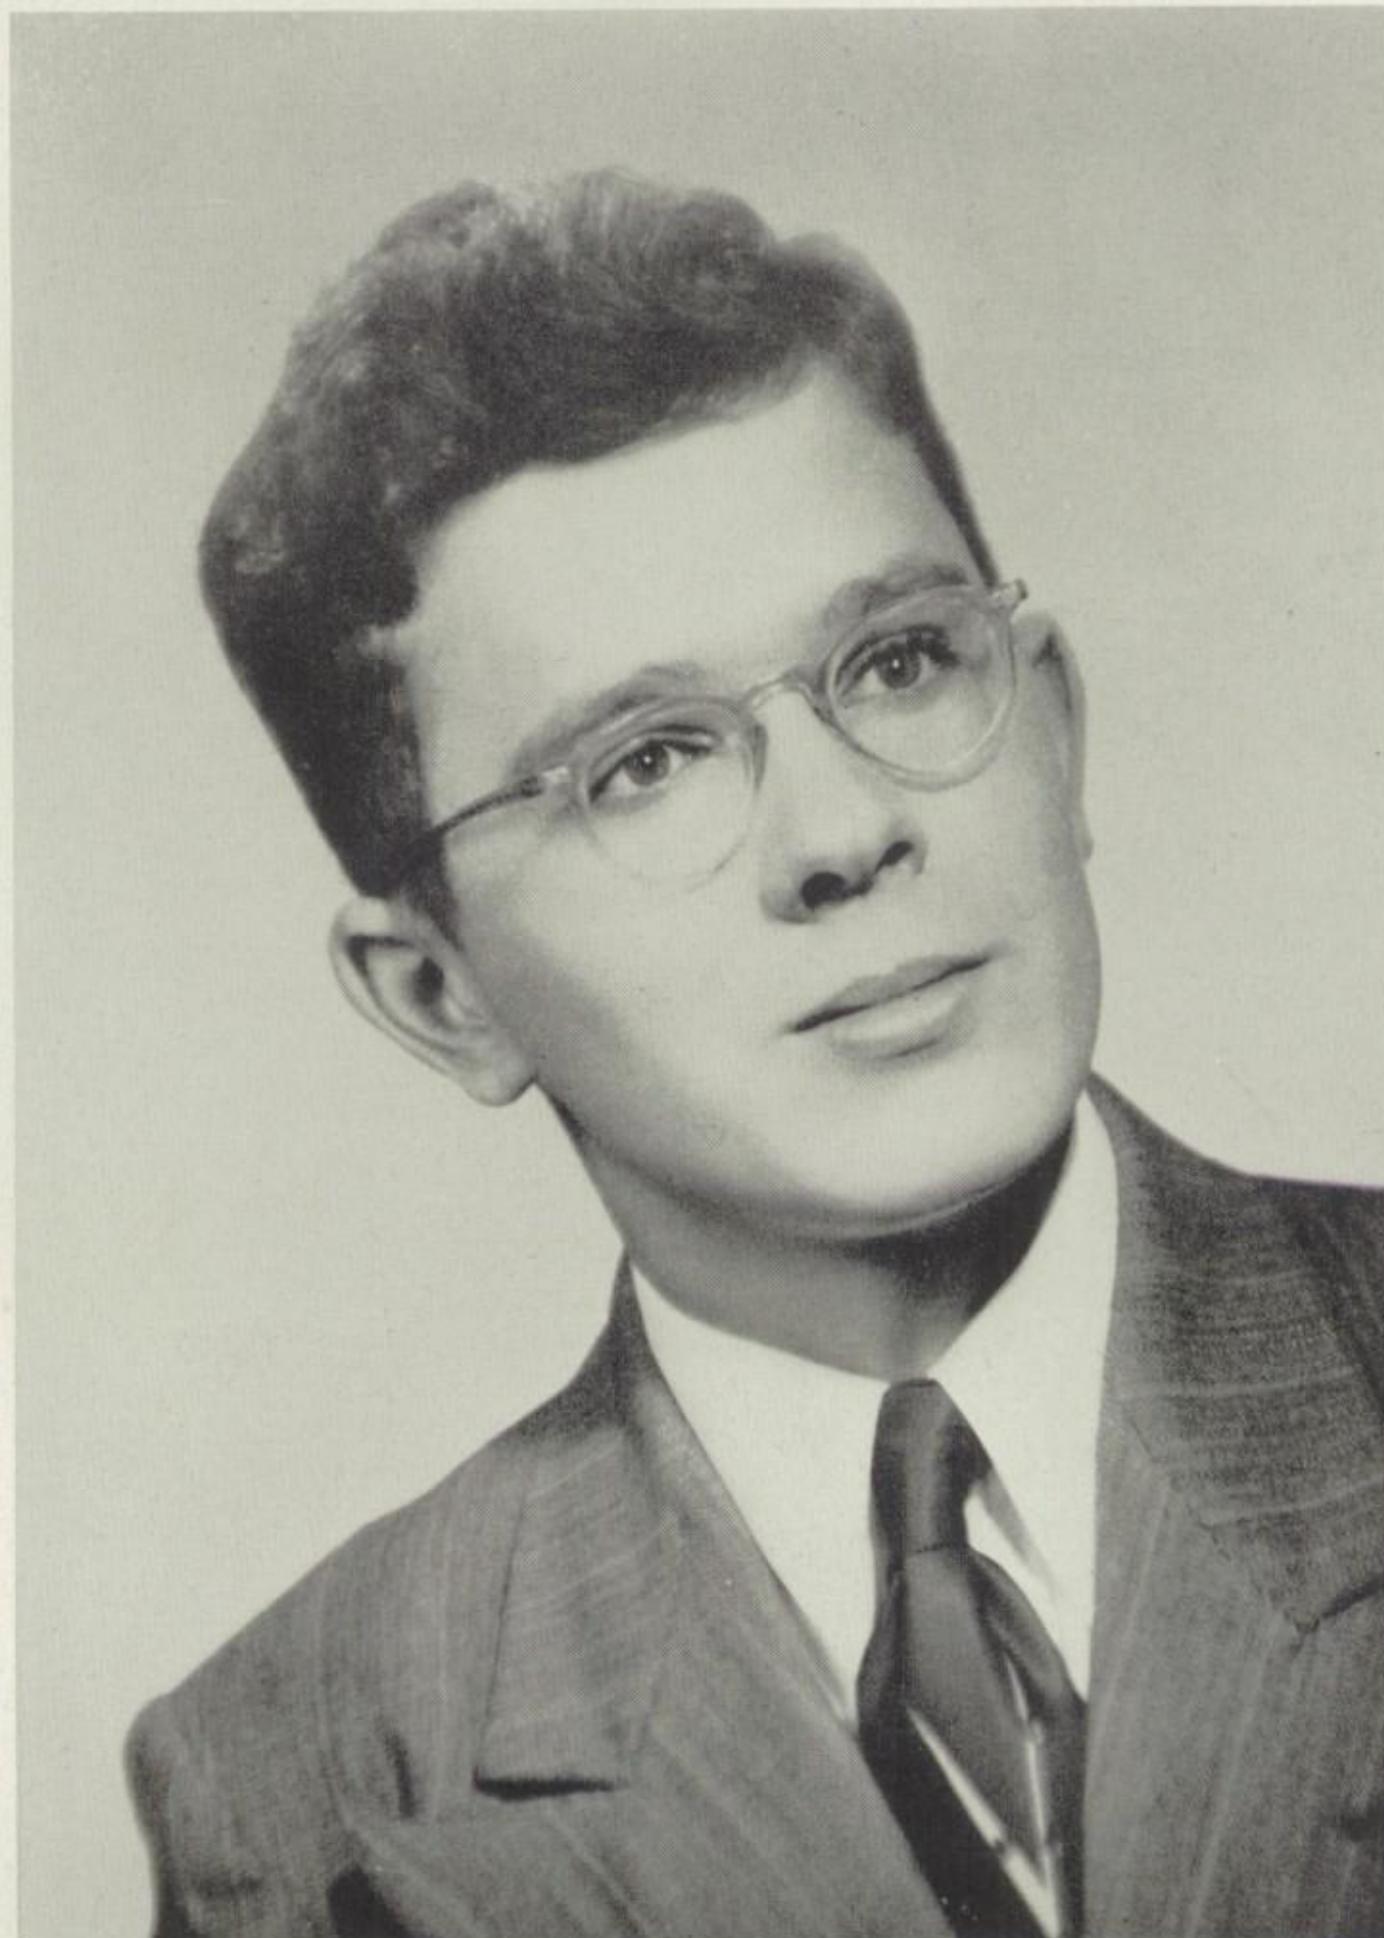

Row 1—Zickert, Wong, Mannino, Blair, Tuttle. Row 2—Coach Baranowski, Birkholz, Reimer, Belardi, Love, Carlson, Clary.

Twenty-seven boys reported for tennis practice at the beginning of the tennis season. An all-school tournament was held within the first few weeks, with Duane Tuttle defeating John Love in the finals. Three returning lettermen, Don Zickert, Duane Tuttle and Harry Wong, aided by the up coming sophomores, Jerry Reimer, Ken Mannino, Ken Carlson, senior Jack Blair, and junior Robert Clary make up the team. Coach Baranowski's first five tennis players at this writing are Don Zickert, Duane Tuttle, John Love, Harry Wong and Jerry Reimer. So far in season's competition the Stateline tennis players have won four meets, defeating Rockford West, Freeport, Janesville, and Lake Geneva; the team tied Rockford East, and lost to Rockford West. After placing second in the conference last season, things seem to look for a championship this year.

The remaining schedule follows:

- May 16—Janesville, there.
- May 20—Madison West, there.
- May 22—Rockford East, here.
- May 27—Big Eight Conference Tournament at Madison.
- June 2-3—State Tournament at Neenah.

In Appreciation

TOM KRAUSE

Taking pictures is not always a 'snap', but a lot of hard, painstaking work. Tom Krause has personified these virtues for us with his patience, skill and wit. Tom developed his like for photography when he was in ninth grade at Lincoln Junior High. His first real job, came at Christmastime that year when he snapped children with 'Santa Claus' at McNeany's. One thing led to another, and once in high school, Tom quickly became associated with the BELOITER and has been its photographic mainstay ever since. This year, he took 292 action shots around school, over 400 junior pictures, and 70 group snaps—a new record for a BELOITER photographer! Next year, Tom plans on setting up his own business, THE BELOIT PHOTO-FINISHING SERVICE. The senior class as a whole showed their appreciation to Tom when they elected him 'Busiest Senior Boy'; now we of the BELOITER staff want to take this opportunity to express *our* appreciation to a swell graduate—

GOOD LUCK, TOM!!!

" . . . When we were a couple of kids."

JANICE HALDERSON

In Sincere Appreciation to Our Advertisers

We, the class of 1950, wish to express our appreciation to the businessmen of Beloit, whose ads made this annual possible.

Not only do they realize that this is an excellent source of long-term advertising, but a source of contact between the students and the businessmen.

We wish to thank especially the Advertising-Donation Fund members for their full-page ad, and the firm of Law, Law, Potter and Nystrom, architects for the new Memorial High School for their donation in spite of the fact that the architects code prohibits their advertising.

BELOIT IRON WORKS has been a part of Beloit's industrial life since 1858, always believing in Beloit as a sound and progressive community fostering happy family living, educational and cultural opportunities, and manufacturing in the cherished American system of free enterprise.

Proud of its heritage and leading position in the world-wide papermaking machinery industry, Beloit Iron Works is aware that America's free enterprise system has out-produced all of the regimented economies of history, and is convinced that the awareness of youth as regards the stability of the American way, whether it is called free enterprise, private initiative, individual opportunity, or mutual respect and responsibility to oneself, is imperative in these days of divergent political theories.

Beloit Iron Works congratulates Beloit's citizenry, the Board of Education and the community's youth on the new Senior High School dedicated to a greater community and country under the flag of freedom.
